AND THE WAR AND THE AND A MADE

### Dr. Fred V. Poag Is Sunday Speaker At Camp Fellowship

Dr. Fred V. Poag, pastor of the Spartanburg First Presbyterian Church, will deliver the closing service this Sunday night of South Carolina Presbytery's seventh annual Religious Emphasis Month being held at Lake Greenwood.

He will speak on the subject, "The Subtle Urge to Conform" at 8:00 p. m., Sunday, in the open-air chapel on Lake Greenwood. His sermon wil close the July month of special religious emphasis which has featured four evening programs there. Dr. Poag, one of the outstand-

ing ministers of the Presbyte-

rian Church US, assumed the pulpit of the Spartanburg First

Church last spring. It marked a

### **Governor Presents Keys**

South Carolina Governor Robert E. McNair (right) is shown here delivering the keys to the 1000th mobile home manufactured by Ponderosa Homes, Inc., of Kinards. Receiving the keys is Lloyd Brigman, Ponderosa dealer in Newberry. In the center is Wayne Davis, of Fountain Inn, executive vice-president of the company. The presentation was made at a luncheon at Hotel Mary Musgrove here on Saturday, July 10 .- Yarborough Photo.

# Wassung Is Chairman For '65 Chest Campaign

Robert Wassung, manager of the Torrington Company Clinton Bearings Plant, will serve as campaign chairman of the 1965 Community Chest of Greater Clinton, Chest President G. Edward Campbell anounced today. Wassung will head a broad campaign organization of volunteer workers drawn from all areas of the business, industrial, residential and institutional community.

The drive chairman has been active in Clinton civic affairs since he first arrived here in 1960 to help direct the establishment of this Torrington operation. He has served for two previous years on the Community Chest advanced gifts committee. In addition, he is a director of both the Clinton Chamber of Commerce and the Clinton Kiwanis Club and continues as director of the Clinton Community Chorus after taking the lead in the establishment of this group. A native of Middleton, N. Y., Wasung is now in his 15th year with the Torrington organization. He was assistant superintendent of the Broad Street Plant in Torrington, Conn., immediately before coming to Chin- istered for the second term of cal engineering degree from mer school.
