

Clinton Business Houses 25 Agencies Participate

Close Monday for Holiday

Most Clinton business houses, including retail stores, shops, offices, schools, banks and some industrial plants will close Monday—Labor Day—the final holiday of the summer.

Then will begin the busy fall season, to continue without a break until late November's Thanksgiving holiday.

Merchants and other business houses will also be closed for the usual Wednesday half-holiday.

Clinton and Lydia Mills will operate as usual, it was stated. The Joanna plant of Greenwood Mills will also continue operations.

Most other industrial workers will have a holiday. Schools of the district, which have been operating on full

Drivers Reminded Schools Are Open

Schools are again in session throughout South Carolina, and thousands of children are walking to and from classes or riding the bright yellow school buses, the State Highway Department reminded motorists today.

Department officials said school zones and crossing areas which have been vacant all summer are now filled with children, requiring strict obedience of speed limits and special driving caution when passing through these areas.

Drivers were urged to cooperate with school crossing guards, and to always be alert for children walking or playing near streets or highways.

McQuilla Hudson, principal of Bell Street High School, announces the opening game of the season of the Bell Street Wildcats, defending "AA" champions of District I against Gallman High of Newberry, Friday, September 3, at 8:00 p. m.

Ed Little, head coach, is being assisted again this year by H. L. Williams in training the team.

Coach Little reports that the Wildcats will be inexperienced at several positions. Only three starters are returning from last year's championship team; however, there are seven lettermen returning.

Several newcomers are looking good in practice: Roosevelt Wilson, Joseph McGee, Joseph Gilliam, James Harley, Johnny Jackson, Walter Moore, Thomas Vance, Robert Gary and James Coggins.

Quarterback and center are the positions with the greatest problem. Coach Little reports that as of now four boys are working out at the quarterback position.

The schedule includes: Washington, Sept. 10; Lakeview, Sept. 17; Sanders, Sept. 24; Geer-Gant, Oct. 1; Rosenwald, Oct. 8; Blue Ridge, Oct. 14; Jefferson, October 22 (Homecoming); Oct. 29, open; Nov. 5, Twin City.

Former Resident Passes In Florida

John E. Willard, 58, of Orlando, Fla., died August 20 at Holiday Hospital after several months of illness.

The big difference stems from PC's first women's dormitory, Clinton Hall, completed just in time for the fall semester.

Faculty members will get the jump on the students by holding their first meeting of the new session this Friday.

While new students continue their orientation activities on next Thursday, upperclassmen will meet with their advisers to complete their plans for the coming year.

Orientation week for freshmen and other new students will get here.

Community Chest Budget For Year Set at \$25,745

A record goal of \$25,745 has been set for the Community Chest of Greater Clinton for the coming year, it was announced today jointly by Chest President G. Edward Campbell and Campaign Chairman Robert Wassung.

This objective was established after the budget and admissions committee headed by Gen. Ansel B. Godfrey met with the various participating agencies and recommended a budget for this amount.

The 1965 figure compares with a goal of \$23,688.94 for last year, which was oversubscribed.

A total of 25 agencies will benefit from the Clinton Chest program. Thirteen of these have been designated for individual shares of the budget and another 12 are included in the amount sent through the Carolinas United Organization encompassing 12 causes, \$1,300; the Crip-

pled Children and Adults Society of Laurens County, \$1,250; the Old Ninety Six District Council of Girl Scouts, \$800; The Salvation Army, \$750; Laurens County Mental Health Association, \$450; National Cystic Fibrosis Research Foundation, \$400; United Health and Medical Research of South Carolina, \$324; and United Cerebral Palsy, \$100.

General administrative expenses are budgeted for \$1,285. These costs include 550 for campaign expense, materials and postage; \$335 as Clinton's share to the Carolinas United; and \$400 reimbursement to the Clinton Chamber of Commerce for year-long supervision of Chest activities including mailing of pledge notices.

The Old Ninety Six District Council of Girl Scouts is the only new individual agency added this year. It operates three troops with 87 girls in the Clinton area. Added for help as one of the agencies under the Carolinas United Organization is the South Carolina Association for Retarded Children.

et is \$5,380 for the Clinton Camp Fire Council. The Laurens County Cancer Society comes next with \$4,020, the Laurens County Chapter of the American Red Cross is down for \$3,580, followed by the Blue Ridge Council of Boy Scouts with \$3,300.

Other agencies include: Local relief funds to be used locally and administered by a special committee, \$2,750; the Carolinas United Organization encompassing 12 causes, \$1,300; the Crip-

pled Children and Adults Society of Laurens County, \$1,250; the Old Ninety Six District Council of Girl Scouts, \$800; The Salvation Army, \$750; Laurens County Mental Health Association, \$450; National Cystic Fibrosis Research Foundation, \$400; United Health and Medical Research of South Carolina, \$324; and United Cerebral Palsy, \$100.

Clinton High to Open Season Friday

The Clinton High School Red Devils kick off their 1965 football season Friday night, meeting York High at York.

Assisting Howe again this year are Coaches Herman Jackson and James Cox.

The first home game will be on Sept. 10 when Clinton plays host to Rock Hill.

The following compose the team: Ends — Eddie Perry, Irving Seigler, James Bostie, Charles Steele, Neil Hall and Tommy Johnson.

Tackles — Mart Simmons, Frank Medlin, Tommy Lawson, Jimmy Kinard, Steve Lanford, Terry Fuller and Neil Crisp.

Guards — L. C. Bond, Terry Crawford, Butch Grady, Tom Rhoads, Roger Miller and Harvey White.

Centers — Carroll Barker, Mike Seigler, and Zeke Benjamin.

Quarterbacks — Freddie Pumbly, Gary Laney and Johnny Willingham.

Chandler; tackles, Rowe and Watts; guards, Elkins and Coppick; center, Tom Daugherty; quarterback, Smith; halfbacks, K. James and B. Chandler; fullback, L. Cockrell.

Reports from the Ford camp state they are stronger than they have been in many years, and will use the "I" formation.

They have one of the best quarterbacks to be found in the upper state in Johnny Outz, it is claimed.

The Thornwell team is in good condition, according to Coach D. S. Templeton, who states the boys are eager for the season to get underway.

Templeton states that barring unforeseen circumstances, Thornwell could very well have another good season this year.

They had an excellent 1964 record. The probable starting lineup offensively for Thornwell will be: ends, T. Brock and J.

Auto License Tags Go On Sale Sept. 7

Issuance of automobile license plates will start Sept. 7 for the 1966 license year, State Highway Department authorities pointed out today.

Something new this year is the issuance of special plates to members of the state senate and house of representatives who request them.

The special plates will carry the wording, "State Senator" or "State Legislator" and will be issued on the basis of seniority, the lowest numbers going to those with the longest periods of service.

Application forms will be mailed out to all registered vehicle owners and they should arrive during the first few days of September.

Anyone who has sold or disposed of the vehicle described on the form should disregard the application.

Vehicle owners who for one reason or another do not receive an application form may get one at any of the Highway Department's license offices.

All information called for should be accurately filled in on the card. The new plates, which are blue with white numerals this year, will be available at all license offices of the Highway Department September 7. No licenses will be issued before that date.

Most of the plates will be obtained over-the-counter, if past trends continue. Motorists applying that way will save 30 cents postage which is charged on mail orders.

Highway Department officials prefer that plates be secured in person so that any errors in details, such as name and address, may be corrected.

Mail order applicants are advised not to send cash through the mail as it may become lost or separated from the sender's name. Postal money orders or checks are the preferred methods.

High School Paper Begins Publication

The first issue of The Sentinel, Clinton High School newspaper, for the current year was distributed to the students on Tuesday.

Published monthly by the students of the school, the tabloid-size paper is edited by Patsy Simmons, senior of Clinton, daughter of Mr. and Mrs. Talmadge Simmons.

Becky Huguley is associate editor; Kayran Cox, junior editor; Beth Keller, feature editor; Harriett Gordon, columnist; Johnny Moore, sports editor; Ben Hay Hammet, sports writer; Horace Horton, photographer; and Harriett Gordon, typist.

Martha Crawford is business manager and Charles Sanford, assistant business manager.

Mrs. Lewis Wallace is faculty advisor.

Mrs. Anderson Dies In Florida

Mrs. Louie R. Anderson, former arts and crafts teacher at Thornwell, passed away Monday in Bradenton, Fla., following an illness of several months.

She had made her home at Bradenton Manor. Funeral services were to be conducted Wednesday at 2:00 p. m. at the First Presbyterian Church in Tampa.

Western Electric Enlarging Scope Of Area Operations

It was announced this week that Spartanburg will become a permanent base location for 30 installers of the Western Electric Company.

Southern Bell Manager D. H. Martin says that the tremendous growth in the Spartanburg, Clinton, Union and Whitmire area, and particularly the influx and expansion of industries, has prompted the Western Electric Company to make this decision.

Until now they have had a small managerial force in Spartanburg, but most of the installers have been assigned to work locations in the Spartanburg area from other sections.

The Western Electric Company is the manufacturing and equipment installation arm of the Bell Telephone System.

In addition to installing all of the Bell system's central office equipment, they manufacture and install the large telephone systems for Bell system subscribers.

A new and larger communication system has been installed at Presbyterian College and at The Torrington Company's Clinton Bearings Plant to accommodate growth and to facilitate telephone needs.

Frank Irby Lee, 68, died Saturday at the Veterans Administration Center, Durham, N. C., after several weeks of illness.

A native of Union County, he was a son of the late P. I. and Fannie Mobley Lee. He had lived at Whitmire 40 years, was a veteran of World War I, member of the First Baptist Church of Whitmire, a Mason, and member of the American Legion.

Surviving are two daughters, Mrs. R. L. Plaxico, Jr., of Clinton, and Mrs. Dean Willard of Dublin, Ga.; one son, Walter R. Lee of Whitmire; one sister, Mrs. D. L. McCullough of Whitmire; and seven grandchildren.

Funeral services were conducted Monday at 2:30 p. m. at Gray Funeral home in Clinton by Rev. Zeb C. Williams and Rev. Parks McKittrick. Burial was in the Whitmire cemetery.

Stationed In England

Lt. Duckett Adair left Saturday by plane for McQuire AFB, N. J., where he flew to his new assignment at Chick-sands AFB, England for a three-year tour of duty with the U. S. Air Force. Lt. and Mrs. Adair, who were formerly stationed in San Antonio, Texas, the past year, have been spending a 30-day leave with their parents, Mr. and Mrs. I. Mac Adair, Mr. and Mrs. Taylor Martin. Mr. Adair expects to join him in several weeks.

Body of Negro Found On Roadside

Laurens—The body of a 29-year-old Negro was found Monday near the shoulder of U. S. Highway 76 about three miles west of here, the apparent victim of a hit and run driver, according to law enforcement officers.

Laurens County Sheriff R. Eugene Johnson said the body of Amos Anderson Hunter was found by his cousin, Sammy Lee Hunter, and a companion who were walking to their jobs about 6:00 a. m., Monday. The exact time of the victim's death had not been determined, the sheriff said.

Hunter had a crushing injury of the right chest and right arm and leg injuries, Johnson said. His body was found face-down in tall undergrowth about 20 feet from the edge of the pavement.

County Coroner Marshall W. Pressley said he had not set an inquest date.

Investigating were Sheriff Cpl. Grady Jones, Patrolman Johnson, State Highway Patrol Billy Foster and R. E. Poole and Sheriff's Deputy Wilton Cooper.

Gas Authority Makes Gift

The Clinton-Newberry Natural Gas Authority, annual supporter of higher education, recently made a gift \$1,000 to Presbyterian College to assist with the long-range building program. This contribution is the latest of several made to PC by the Gas Authority in the past few years.

PC Annual Giving Reaches \$43,071; Halfway to Goal

The Presbyterian College Annual Giving program today hit \$43,071 to move past the mid-way point toward the 1965 goal of \$85,000.

President Marc C. Weersing, in making the announcement, pointed out the objective represents the largest total yet sought by this PC program which produced a record \$77,518 last year.

He said the 1965 pace is ahead of any previous year at this date.

Of the \$43,071 given thus far, \$32,712.50 has been earmarked for Living Endowment purposes, including \$3,641.50 for the Walter Johnson Club. Another \$10,358.50 has been sent directly to the Johnson Club, bringing the total for this annual athletic organization to \$14,000.

Annual Giving is a program conducted each year among the alumni and friends of Presbyterian College for gifts to supplement the current operating budget of the college. President Weersing said it is one of the most important sources of income for the institution.

Dr. Cooler Attends Meeting In Texas

Dr. Claude H. Cooler, director of the Presbyterian Guidance Center, attended the annual meeting of the Guidance Section of the Presbyterian Education Association of the South, which was held at Austin College, Sherman, Texas, last week.

As a member of the Committee on Research and Evaluation and in the absence of the chairman, Dr. Cooler presented the report of that committee, including results of a special research project which he conducted during the past year in the Synod of South Carolina.

In addition to his duties as director of the Presbyterian Guidance Center, Dr. Cooler serves as chairman of the Department of Psychology and as professor of psychology at Presbyterian College.
