## Horne Is Winner!

William S. Horne is the winner this week of the \$25 prize in The Chronicle's guessing contest.

And he came up with a perfect score—he didn't miss naming the winner of a single game in the 20 listed in last week's issue.

He picked Wofford to win over Furman and Frederick to down Newberry—the two games that caused most of the other prognosticators to falter.

Fifteen persons missed by only two guesses, including the winner of second prize of \$10. He was David Shockley of 255 Elm St., Lydia, who guessed correctly the tie-breaking Clinton High-Dentsville score, 42-0.

Barry Whitman, a two-time winner, guessed wrong on two games, Wofford-Furman and Newberry-Frederick, but he missed the Clinton score by two points, putting it at 40.

Trying their hands at it last week were 149 persons who turned entry blanks.

Remember—only one to a person.

Try your hand this week—you may be a winner.

## Community Chest Drive Nears Goal

With one more meeting to go, the Clinton Community Chest today stood at 94 per cent of its record \$25,745 goal for 1965.

That's the word from Robert Wassung, drive chairman, who said the subscription total reached \$24,262.43 at the report meeting held last Tuesday.

He said the final report meeting is scheduled for next Tuesday at 9:00 a. m. at the Chamber of Commerce office. All divisions which have not yet completed their work are urged to

have final reports at that time, if at all possible.

Three big divisions have closed out their operations at 100%. These are the advanced gifts, commercial, and residential divisions. In the institutional area, Presbyterian College, Thornwell Orphanage and Whitten Village also have achieved their goals, and the public schools stand at approximately 50%.

The industrial division, a major area not yet complete, currently reports 60% success. And the appeal to out of town firms with Clinton connections also has achieved the 60% level.

## Thornwell Meets Jonesville Here Friday For Title

It will be a battle of "Wildcats" Friday night when Thornwell meets Jonesville. Both teams are undefeated in Conference I play, and the winner of this game will be Conference I class "B" champion. Each team has won five and lost one. The winner will probably play McCormick the middle of November for Conference I and II title.

Thornwell and Jonesville appear to be about evenly matched and a close game is in prospect. The largest crowd of the season is expected to be on hand for the game and additional seats have been provided on both sides of the field.

Thornwell will be observing homecoming, and Jane Richey, a senior, elected homecoming queen, will be crowned at halftime by Co-Captains Larry Cocke and Kenneth James.

Thornwell will be playing without the regular center, Tom Daugherty, and will have only limited service of two senior guards, John Martin and Mike Wickham. One regular and one second string end will be unavailable.

Last Friday night Thornwell defeated Calhoun Falls, 14-6, in a hard-fought game. Halfback Bobby Chandler scored two touchdowns and brother Jerry Chandler kicked both extra points.

## PC-Furman Game Is Feature of Homecoming

Presbyterian's surprising Blue Hosemen hope to please Homecoming alumni with a victory over Southern Conference foe Furman when the long-time rivals begin battle here at 2:30 Saturday afternoon.

Hundreds of PC alumni are expected to be on hand for the big game, and they'd like nothing better than to see the Blue Hose whip the Paladins from Greenville. A win not only would give PC its eighth consecutive win on Johnson Field, but also would inflict some revenge on the bigger Baptist school which holds a 20-7 edge in the all-time series. Last year Furman took a 28-6 victory.

However, injuries have dampened somewhat the Presbyterians' chances, with first-string Quarterback Bill Kirtland and co-captain Halfback Don McNeill doubtful players. The visitors will have their own cripples, too, with Quarterback Sammy Wyche carrying a broken finger on his throwing hand. Both Coach Cally Gault of PC and Furman's Bob King report their squads in the worst physical condition of the year due to injuries.

Furman owns a 2-2 record with wins over Frederick and East Carolina, and setbacks by Davidson and Wofford. Presbyterian also stands at 2-2, with Elon and Wofford as their victims after losses to Davidson and Lenoir Rhyne.

In last week's 14-7 triumph over the big Elon College Christians, PC called in reserves to lead the Hose to victory. Quarterback Paul Ferguson and Halfback Dan Eckstein came up from the second unit to spark the injury-riddled first team. Ferguson completed 5 of 9 passes for 87 yards, including two touchdowns. Eckstein caught the winning 41-yard pass for a score, and intercepted two Elon aerials, besides rushing for 22 yards.

Fullback Sam Williams will have to carry a big share of the PC offense with the regulars on the injury list. The stubby little runner has gained 212 yards on 40 carries to date, good enough for a team-leading 5.2 average.

## Cadet Leaders Named For PC ROTC Unit

Roy Wright, a senior from Sanford, Fla., commands the Presbyterian College ROTC battalion this season with the rank of cadet lieutenant colonel.

The military department today also announced these appointments to the battalion staff: Tom Leland of Summerville, S-1; Henry Lovett of Kingstree, S-2; Walter Todd of Fort Monroe, Va., S-3; William Roundtree of Grover, N. C., S-4.

Fred E. Holcombe of Clinton, serves as assistant S-1; Richard Carpenter, Jr., of Greenville, assistant S-2; William Scott of Mount Pleasant, assistant S-3; and Charles Campbell of Honea Path, assistant S-4.

The new company commanders within the PC unit are: Sam Lyons of Atlanta, "A" Company; Wade Stewart of Pica-yune, Miss., "B" Company; Dave Dunlap of Jacksonville, Fla., "C" Company; Phil Ilmert of Bishopville, "D" Company; Buddy Guy of Jacksonville, Fla., Headquarters Company. Al Todd of Columbia, leads the Woods Rifles drill platoon, and Wynn McGinn of Charlotte, takes charge of the Drum and Bugle Corps.

## Detroit Insurance Man To Receive PC Gold P Award

The alumni board of directors designates the Gold P recipient each year. It is PC's highest stamp of approval for an alumnus, given "in recognition of outstanding achievement in your chosen profession which reflects credit upon the institution."

McLaurin, a native of Sumter who finished Presbyterian College in 1925, is the president of four insurance companies. He has served as president of the Michigan State Association of Life Underwriters and of the Life Leaders Club of Michigan.
