

Council Awards Two Contracts for Utilities

City Council at its November meeting Thursday night awarded a contract to G. E. Moore Co., of Greenwood for construction of a water line from the eastern city limits to the recently acquired industrial park on the Joanna highway. The amount of the contract was \$94,422.70, and provides for a 12-inch line to run parallel with an existing 6-inch line to Whitten Village, and a 16-inch line from there on the industrial site where C. W. Anderson Hosiery Co. is constructing a new plant.

Council also awarded a contract to Pittsburgh-Des Moines Co. for a 300,000-gallon elevated water tank to be erected on Whitten Village property near the highway. Amount of the contract was \$48,500 with completion in 180 days.

Council authorized the mayor and city clerk to execute right of way agreements with the CN&L Railroad for water lines.

On a motion by Alderman S. A. Pitts, the superintendent of streets was directed to have a force of six men from the department begin a program of cleaning streets and sidewalks of grass and weeds and make necessary repairs, the work to be started immediately.

A proposal by the Duncan Creek Watershed to construct a dam above the city's water pumping station on Duncan Creek was received as information for the present, but much interest was manifested in the project by council. The dam would impound an estimated 100 million gallons of water, which would be placed at the city's disposal. Further negotiations are in progress. The proposal was presented by C. D. Waldrop of the Watershed Authority and J. B. O'Dell of the Soil Conservation Service.

Johnson Gets \$10 \$25 Goes To Miss Dunaway

Girls are continuing their winning ways — that is, as far as The Chronicle's football guessing contest is concerned.

Another of the fair sex was the winner this week. She is Miss Peggy Dunaway of 207 Bailey Street.

She failed to name the winner in only three games of the 20 listed for the week of Nov. 5-6. She picked Clemson over North Carolina, Georgia Tech over Tennessee and Rice over Arkansas.

Two others missed four, and the score of the Clinton-Laurens High game had to decide the winner.

They were William K. Johnson of Phillips St., and Mrs. Lewis Bagwell, Jr., of 606 Ferguson St.

Johnson came closer to the Clinton-Laurens score by putting it at 42-7. The actual score was 61-6. Mrs. Bagwell guessed 27-6.

The four games that Johnson missed were Presbyterian over Appalachian, Wofford over Catawba, Clemson over North Carolina and Wake Forest over Florida State.

Mrs. Bagwell's misses were Presbyterian over Appalachian, Clemson over North Carolina, Georgia over Florida, and Georgia Tech over Tennessee.

No football contest appears in today's issue, since the contracted number of insertions ended with last week.

Grand Jury Says Courthouse Is In Dangerous Shape

Laurens — The final presentation of the Laurens County Grand Jury in General Sessions Court here Monday contained a special committee report calling attention to the overcrowding, termite damage and "actually dangerous" condition of the present courthouse.

The four-man committee report said offices in the courthouse were overcrowded and "it is actually dangerous to stand on the porches... because of falling materials from the columns and roof."

The report said the "county is operating on a \$100,000 surplus yearly and money is not the problem on building a new courthouse."

According to the report, two County Legislative Delegation members, Reps. Marshall Abercrombie and Jake League, appeared before the grand jury "and it was brought out that a new courthouse bill had been passed by the House and sent to the Senate and no more has been heard from the bill."

The report noted that Sen. William C. (Bill) Dobbins was not "available for comment."

The bill referred to in the report apparently was a resolution introduced in the State House of Representatives last March calling for appointment of a five-man committee to study the feasibility of either renovating or replacing the courthouse.

In other committee reports: Two new deputies were recommended for Sheriff R. Eugene Johnson's force.

Several county farm and market roads were termed in need of repairs and "funds available for this work are far short of actual need." Help from the delegation was recommended.

Magistrates' offices were reported in good condition and there was a recommendation that pay of James Copeland, magistrate of Jacks Township, be raised to \$1,200 a year.

The County Home was considered adequate and well run but it was recommended that better facilities for washing clothes be provided.

It was suggested the grounds of all schools could be put in better condition by removing litter and keeping grass trimmed.

PC, Frederick To Meet In Virginia

Presbyterian will try once again to win away from home this weekend, journeying to Portsmouth, Va., to battle the Frederick College Lions in a 2 o'clock game Saturday.

The Blue Hosemen have won four times so far — all on Johnson Field — and they've lost on three occasions — all on the road. Last week PC took a 26-10 whipping up at Appalachian, while Frederick fell to Hampden-Sydney by a 39-26 score. The Lions now own a 3-5 record.

The Presbyterians are favored because of overall records, but Frederick has beaten Lenoir Rhyne (27-20) which defeated PC by a 35-14 margin. "That score alone tells us Frederick has a good team," says Coach Cally Gault, who maintains that the Lions could beat Norte Dame one weekend and lose to Winthrop the next.

The Virginians have two outstanding offensive stars in quarterback Jim Cruthoff and Tailback Teddy Putman. Cruthoff has amassed 1,000 yards by passing in eight games, and Putman has rushed for 792 and passed for 272 so far.

Ambassador Choir Of Bible College To Present Concert

The Ambassador Choir of Columbia Bible College will present a concert of sacred music at the First Presbyterian Church on Sunday evening, Nov. 14. The special musical program, arranged by the Rev. Joe Greer, associate pastor, will begin at 7:30. The public is invited to attend this worship service.

Each year, the forty-voice choir travels throughout the state and nation to sing for church and school groups.

G. William Supple, director of the music department at the Bible college, will lead the choir. Miss Carol Schuit, a junior, will accompany at the piano.

The choir members, from various states and foreign countries, are preparing for Christian service both in the United States and on the foreign mission field.

'Medicare' To Be Explained Monday At Bell St. School

"Medicare" health insurance for the aged will be explained at a meeting to be held Monday night at 7 o'clock at Bell Street High School, it was announced by Fred W. Gist, vocational agriculture teacher, who arranged the session.

Representatives from the Social Security office in Greenville will be present to explain provisions of the new program to become effective July, 1966.

CONGRESSMAN DORN

Dorn to Address Young Democrats

The Young Democrats of Laurens County will stage a rally in the courthouse at Laurens Monday night, Nov. 15, at 7:30 o'clock.

The speaker will be Congressman W. J. Bryan Dorn of Greenwood, representing the Third South Carolina Congressional District.

Also attending will be Don Fowler, of Columbia, president of the State Young Democrats. He is a professor of political science at the University of South Carolina.

Other Democrats from this area have been invited, according to Thomas V. Rames, president of the county group.

Congressman Dorn is completing his 17th year in Congress. He is vice chairman of the House Veterans Affairs Committee and chairman of the subcommittee on compensation, and a member of the Public Works Committee.

He makes his home on Route 1, Greenwood, where he is a caterer and tree farmer.

Two of the best high school football teams in South Carolina will vie for supremacy in Clinton Friday night when Woodruff meets the Red Devils on Wilder Field here.

Game time is 8 o'clock.

Interest in the fray is widespread and probably the largest crowd ever seen at a high school game here will pack the local stadium. Extra seats are being added to accommodate the big crowd expected.

At stake will be the championship of the Eastern AA Conference.

Both teams have record of 10 straight victories for the season with no defeats. The teams appear to be about evenly matched, with Woodruff having the edge in weight and Clinton in speed. Each team has a stable of fancy backs, supported by line crews that have performed sensationally on both defense and offense. Each has run up big scores against opponents all season, while opponents' scores have been few and far between.

A comparison of scores of games with mutual opponents for the season is revealing. Woodruff defeated Chester 22-7, while Clinton won 53-0; Woodruff beat Laurens 61-0, Clinton 66-6; Woodruff downed Newberry 66-6, Clinton 25-0 (Clinton had three touchdowns called back because of penalties); Woodruff won over Union 33-9, Clinton 27-20.

So, a battle royal is in store for the thousands of fans who come to Clinton Friday. Many are expected to come early, probably from five to six o'clock, in order to get seats.

Among the array of better known players Woodruff will bring to Clinton will be Buddy Cox, Mike Watts, Butch Richards, Jimmy Gates and Johnny Waddell, plus a host of wheel-horse linemen.

Clinton will sport a host of standouts, most of them seniors playing their last game, including Quarterbacks Gary Laney and Johnny Willingham; Halfbacks Joel Whitsel, Darryl Hampton, Mike Sanders and Francis Cooper, Fullbacks Darrel Godfrey, Ken Allman and Steve Grady. Linemen include center and extra point kicker Carroll Barker, guards Terry Crawford and Roger Miller, tackles Steve Lanford, Terry Fuller, Mart Simmons and Jimmy Kinard, and senior ends Tommy Johnson, Neil Hall and Irving Seigler.

In spite of Clinton's lightning passes and flashy runs which have captured the headlines, many a time this season the Red Devils progress down the field has depended upon hard-nose football, with smashing gains by the fullbacks and line-opening rushes by the boys up front who have performed yeoman service.

The game here Friday night will close regular season play for both teams, with the winner going into the playoffs for the upstate and state title.

This occasion will mark Wayne Holman's second visit to Presbyterian College. His first appearance was to deliver the commencement address to the 1960 graduating class.

A native of Tennessee and 1928 graduate of Georgia Tech, he received graduate degrees from Yale, Massachusetts Institute of Technology and New York University. After working for the Central Hudson Gas & Electric Corporation in Poughkeepsie and Newburgh, N. Y., he joined the Chicopee (Ga.) Manufacturing Corporation in 1949, became president in 1954 and chairman of the board of directors in 1958. He resigned this position in 1963 to become treasurer of Johnson & Johnson.

Dr. Holman was the first president of the Society of Alfred P. Sloan Foundation Fellows of M.I.T. and has been president of the Tennessee Society in New York and of the New York Southern Society, and is a trustee of the Foundation for Economic Education, the Georgia Tech Foundation, and New York University.

Textile Leader To Address Group At College on Friday

One of the nation's outstanding textile leaders will speak at Presbyterian College Friday before a Textile Executives' Day group and the PC student body.

He is Wayne J. Holman, Jr., of New Brunswick, N. J., treasurer of Johnson & Johnson Company and former president of the Chicopee Manufacturing Corporation.

Some 100 textile executives, mainly from South Carolina and Georgia, are expected to assemble on the PC campus at 12 noon for the start of the Textile Executives' Day program. They will join Presbyterian College students in Belk Auditorium to hear the keynote address by Dr. Holman.

After a tour of the campus, the textile group will have dinner in Greenville Dining Hall and will participate in a program presided over by James A. Chapman, Jr., of Spartanburg, president of Inman Mills and a PC trustee. The program will include: remarks by Robert M. Vance, president of Clinton Mills and chairman of the PC board of trustees; a talk by Dr. Marc C. Weersing, president of Presbyterian College, on "Liberal Arts Education and the Erge Enterprise system"; and a discussion period with other PC administrative officers.

JV and Junior High Teams Play Tonight

The Clinton JV and Junior High teams will meet similar teams from Woodruff tonight (Thursday) on the Clinton High field.

The Junior High game will be at 6:00 p. m., and the JV game at 7:30.

The Clinton JV team has a record of 6-1 for the season after defeating Laurens 26-6 last week.

The Woodruff JV's are 7-0. A win by the Clinton team would put them in a tie for the conference title.

The Junior High squad, with a 5-0 record, has already won the conference title.

Health Center To Close Thursday

The Clinton Health Center will be closed Thursday Nov. 11, in observance of Veterans Day. The announcement was made by Dr. Von A. Long, director of the Laurens County Health Department.
