Telephone Talk

By **D. H. MARTIN**
Your Telephone Manager

HARDLY A MONTH GOES BY WITHOUT AN ANNIVERSARY OF SOME IMPORTANT EVENT IN SOUTHERN BELL HISTORY . . . December, for instance . . . on December 1, 1879, Tennessee's first telephone exchange was opened in Nashville. December 4, 1926, the first Louisiana dial office was opened in Shreveport. Also in December of 1879, Southern Bell signed papers of incorporation. And finally, Southern Bell's 1,000,000th telephone was installed on December 6, 1929. Look how we've grown! At last count, there were over 9,232,000 telephones in Southern Bell territory!

HAVE YOU HEARD ABOUT THE NERVOUS PROSPECTIVE FATHER WHO MADE AN EMERGENCY PHONE CALL TO THE HOSPITAL? The nurse who answered, tried to calm him down and asked "Is this her first baby?" "Uh no, ma'am," replied the caller, "This is her husband."

THIS MAY BE AN UNFORTUNATE SUBJECT TO BRING UP AT THIS HAPPY TIME OF YEAR . . . but if you're driving anywhere at all during the big New Year weekend . . . PLEASE, PLEASE DO IT CAREFULLY. All the talk, and all the warnings in the world won't change the fact that there are thousands of careless people behind the wheels of automobiles, particularly during holidays. YOU be one of the sensible, safe, sane drivers. Stay around to enjoy many more Christmas and New Year seasons. And help others do the same!

HOW DO WE CELEBRATE THE NEW YEAR?
We Clinton telephone folks are making out our New Year's list.

Our first and utmost item is to furnish YOU with the best possible telephone service available.

Our next desire is that YOU will call on us anytime if YOU have any questions or problems concerning your telephone service.

In this way we will have a Happy '66.

HAPPY NEW YEAR!
