ALL FOR THE CHURCH	Memories in i	the making	Week Service.
All FOR THE CHORCH The Church is the greatest factor on earth for the building of charac- ter and good citizenship. It is a store- house of spiritual values. Without a strong Church, neither democracy ner civilization can survive. There are four sound reasons why every person should attend services regu- larly and support the Church. They are: (1) For his some sake. (2) For his children's sake. (3) For the sake of his.community and nation. (4) For the sake of the Church itself, which meets his moral and material support. Plan to go to church regu- larly and read your Bible daily.	A picture a frame . So she believes!
