

Hollings Urges 'Less Washington Government In South Carolina'

With his fall campaign in full swing, U. S. Senate candidate Ernest F. Hollings has resumed his pre-primary campaign slogan—"We need more South Carolina government in Washington, and less Washington government in South Carolina."

No Shortage of Funds

Trammell Bound Over For Grand Jury At Hearing

Greenville — U. S. Commissioner Jesse M. Ray ruled yesterday there was probable cause for presentation of a proposed indictment to a federal grand jury on charges a Clinton man misapplied funds of a banking firm there.

Alan King Trammell, former head teller of M. S. Bailey and Son, Bankers, Clinton, was charged in the case involving deposits of \$1,211.66 for which he removed deposit slips from the bank July 29. He is free under his own recognizance.

His attorney, Ernest J. Howard, argued at the preliminary hearing here Friday that the deposit slips were the only bank property involved and that no injury was caused to the institution on the date in question by their removal.

The vice-president of the banking firm, James Von Hollen, testified the slips were not placed in the teller's drawer with the deposits and that checks later were returned because the funds were not in the proper accounts. He said no shortage of bank funds was revealed at the time.

Vincent Doherty, special agent of the FBI, testified that the five deposit slips were found Aug. 10 by Knoxville, Tenn., police in a car parked in an unauthorized zone. Police called federal agents into the case then, he said.

Mr. Trammell did not testify.

Women Voters Group Schedules Meeting Tonight

The Provisional League of Women Voters of Laurens County will meet tonight (Thursday) at 8 o'clock, in Room 231, Douglas House, Presbyterian College Campus.

The program will be presented by one of the subcommittee members now preparing their part of the "Know Your County Survey". Mrs. James L. Skinner heads this committee which is studying the Administration of Justice in Laurens County. Any interested citizen is invited to attend the meeting and to join the group whose purpose is to promote political responsibility through informed and active participation of citizens in government.

Lower Richland Wins Over Clinton, 28-26

Two points separated the winners from the losers here Friday night on Wilder Field when the Hornets from Lower Richland High School emerged victorious over the Clinton Red Devils, 28-26.

It was a high-scoring game, with each team pushing across four touchdowns. The Clintonians missed two of their extra points.

Lower Richland exhibited a dazzling passing attack that was largely responsible for their three touchdowns in the first half, but the Red Devils straightened out their pass defense in the second half and the Hornets were able to score only once, and that on a running play.

The most scintillating play of the game was when Halfback Francis Cooper took a Lower Richland punt at his goal line and ran the length of the field to cross the line standing up. Halfback Henry Simmons

Russell for the Democratic nomination. He reiterated this belief Monday night in an address to the Laurens County Young Democrats.

Hollings criticized national leadership for "encouraging law and order by encouraging what he called disrespect for demonstrations that he said have resulted in looting and rioting and a general breakdown in the moral fiber of the country."

Hollings hit hard at his Republican opponent, Marshall Parker, who, he said, before changing over to the Republican party, attended a \$100 a plate Democratic dinner.

The session at the court house Monday was sponsored by the County Young Democrats, and was presided over by J. Edward Wells, new president of the Young Democrats.

Introduced by the county's Democratic candidate who will be on the ticket in the November 8 general election, including William M. Dobbins for State Senator, and Paul Culbertson and David Taylor, for the House of Representatives.

County Chairman Richard Townsend introduced Hollings.

Community Chest Organization Is Formed at Joanna

Representatives of the five service clubs in Joanna met recently for the purpose of forming a Community Chest to replace the in-plant organization formerly operating under the mill supervision.

Groups represented were Joanna Woman's Club, Loyal Order of Moose, Masonic Lodge, Eastern Star and Lions International.

At the initial meeting, the following officers were elected: Cyril Abrams, president; Miss Ruth Hair, vice-president; Clyde Tindall, treasurer; Wendell Hair, secretary. Serving on the board of directors will be a member from each of the five clubs: Mrs. Corinne Phillips, Rolfe Clark, James Fulmer, Mariam Banks, Mack Williams.

A budget of \$5500 was adopted for the coming year, and incorporation of Joanna Community Chest as an eleemosynary corporation will be effected shortly, it was stated. Dates for the drive for funds will be announced later.

Kiwanis Club Sells Cushions At Football Games

For a fund-raising project the local Kiwanis Club has been selling foam rubber cushions at the local Thornwell, Clinton High and Presbyterian College football games. Advertisements of businesses are used on one side of the plastic cushion with the school's name appearing on the other side.

Proceeds from these sales will go toward youth work activities.

Kiwanis Club To Hear Reed

C. S. Reed, vice-president and rate consultant for Duke Power Co., will be the speaker tonight (Thursday) at a meeting of the Kiwanis Club.

The session will be held at Hotel Mary Musgrove at 7:00 o'clock.

A native of Pittsburgh, Pa., and a graduate of the University of Pittsburgh, Mr. Reed was for many years a nationally-known consultant on rates for electricity, gas and transportation. In that capacity he became associated with Duke Power Co. in 1929. He joined the company in 1934, later becoming a member of its Board of Directors and a vice president. In recent years he has become well known for his

studies in economic development and population trends and is today widely recognized as one of the leading spokesmen for the economic potential of the Carolinas.

Problems Laid Before Chamber Membership

The annual membership-coffee meeting of the Clinton Chamber of Commerce was held Tuesday morning at the Mary Musgrove Hotel, President Claude Crocker welcomed some 33 members present. The invocation was given by Gen. Ansel B. Godfrey.

W. R. Anderson, membership chairman, announced the following new members: Edgar Sadler, Home Wholesale; R. P. Wilder, School District 56; Thomas W. Barnes, Shiloh Homes, Inc. James E. Wolfe, Wolfe and Dowling, Investments.

George Cornelson, civic affairs chairman, outlined plans his committee would work toward the coming year concerning city traffic. He stated their main concern would be to work with the South Carolina Highway Department in devising plans to direct outside traffic out of the business area. J. Robert Cox, representing the merchants division, said the Chamber certainly had the approval of the merchants, that he felt "we would certainly miss the boat if we fail to follow through with this great problem."

I Mac Adair, highway-traffic chairman, was unable to attend but invited Senator William C. Dobbins to speak to the group on progress being made on Laurens-Clinton Highway 56. Sen. Dobbins stated that work had begun and that a four-lane road would be built. He said that he did not know when completion would be, but Hunter Brothers Construct Co. of Gray Court had been given the contract. He described the four-lane road to be built with a median in certain sections where traffic is hazardous, and with an island in other sections. He thanked the Clinton and Laurens chambers for their support in making this a reality, a big improvement in the county.

Industrial promotion chairman, Don G. Creighton, spoke briefly on the survey that had been made in the county by the Laurens and Clinton chambers in cooperation with the South Carolina Technical Education Service in finding the potential labor in the county. He stated that Laurens was the 27th county in the state to undertake this project and that results had been average. Some 23,000 questionnaires were distributed with 818 returned, which gave a 4.5 per cent total labor force in the county. The breakdown was 338 currently employed but

seeking industrial employment; 46 having part-time employment and wanting full time work; and others unemployed. "From this coverage," Mr. Creighton said, "we still have our same old problem."

Aviation chairman, Robert Wassung, along with Senator Dobbins, remarked on the rebuilding of the Laurens County Airport. Wassung reported that the basic survey had been made and that steps had been taken for the proposed development in a federal-aid program. A 3200 ft. runway will soon be a reality.

J. C. Thomas asked the chamber members to join the Merchants Association in their special promotion in saluting the towns and surrounding communities in our trade area in appreciation for their many contributions to Clinton. The salute is being planned for October 12-29.

By having one great appeal, more of the money received can be used for its intended purpose rather than supporting duplicate drives and offices of many separate funds.

I urge everyone to give to the United Fund of Clinton. The writers are your neighbors and your contribution will be used to help your own community.

"So cast your bread upon the waters" . . . and you may see it come back to you toasted lightly on both sides, buttered and covered with blackberry jelly as only your mother used to make."

Joanna Employees Evangelistic Get Service Pins Series Planned For January 22-29

Seventeen employees of the Joanna Plants of Greenwood Mills were presented service pins for long service during September. They are: D. V. Wright, Jr., 25 years — W. L. Gruber, Mildred Wilburn, G. H. Metts, William Vance, Rita Floyd, and Charlie Kinard, 20 years — T. A. Uldrick, Irene Brooks, W. H. Mills and W. O. Hawkins, 15 years — Carolyn Merchant, and Dezaree G. Morris, 10 years — Betty Snow, Betty Roberts, T. E. Peay, and M. H. Patterson, 5 years.

The administrative committee to coordinate plans for the crusade was named last Sunday at an organizational meeting of ministers and lay leaders. In addition to Mr. Bixler as chairman, the following were elected: vice-chairman—the Rev. E. W. Rogers of Broad Street Methodist Church; secretary—R. B. Hellams; treasurer, — Goyne Simpson; and members-at-large—the Rev. Bryan Keisler of St. John's Lutheran Church, and W. C. Baldwin.

A this meeting, the group head a discussion by John Lenning of the Billy Graham organization about the preparations necessary for the eight-day crusade which will be held January 22-29 in Belk Auditorium on the campus of Presbyterian College.

Leighton will make his first appearance in Clinton in preparation for the crusade on October 6, when he will discuss the program with participating ministers at a supper meeting in the private dining room at PC's Greenville Hall.

The community bible class, held in the St. John's Lutheran Church and taught by Dr. E. B. Keisler, began on Tuesday evening of this week. The passage studied at the first session was the narrative of the transfiguration of Christ. Next Tuesday evening the group will consider the things related to Paul's visit to Athens (Acts 17:16-34).

In the absence of Dr. Keisler, Dr. Wm. Redd Turner will teach the class on October 4, using the story of Jesus at Jacob's well (John 4:1-42). On October 11 the Rev. J. H. Darr will present "Studies in Amos."

Upon his return from a preaching mission and a short vacation in the Midwest, Dr. Keisler will begin a study of one of the shorter significant books of the Bible on September 18, probably the Epistle to the Galatians.

Dr. Keisler has emphasized that the discussions will contain no denominational emphasis and that in so far as is possible the expositions will be in the tradition of Dr. G. Campbell Morgan, Dr. A. B. Bruce and others.

Anyone interested, regardless of church affiliation, is invited to attend. The class begins at 7:30 and is over no later than 8:30.

Jaycee Meet
Clinton Jaycees will meet Tuesday, Sept. 27, at the Jaycee Hut at 7:30 p. m. The program will be on Parliamentary Procedure.

Community Chest Drive To Begin Next Tuesday

The 1966 campaign for the United Fund of Greater Clinton, Inc., will be officially launched when all workers meet Tuesday, September 27, at 8:30 a.m. in the Mary Musgrove Hotel ballroom for the annual kick-off breakfast. Dr. Marc C. Weersing, president of Presbyterian College, is to make the keynote speech.

In addition to officers, campaign division heads and assistant heads, the more than 100 solicitors in the residential division are expected to attend the kick-off breakfast, according to Reese H. Young, president of the local United Fund organization.

Mrs. Frank C. Sherrill, head of the residential division, and Mrs. Claude A. Crocker, assistant, announced this week the names of all workers in this phase of the campaign.

Area chairmen include Mrs. Louis Stephens, Mrs. George Cornelson, Mrs. Lawrence Young, Mrs. Harold Martin, Mrs. Charles Pitts, Mrs. H. Earl Martin, Jr., Mrs. Tan

Young Democrats Elect Edward Wells

At an organizational meeting of the Young Democrats of Laurens County last Thursday, J. Edward Wells, Laurens attorney, was elected president.

Other officers are: Miss Joanne Smith of Laurens, vice-president; Mrs. Sylvia Wells of Laurens, secretary-treasurer. Named as executive committee man was Wm. Craine of Owings, University of South Carolina law student.

Mr. and Mrs. William C. Craine were named delegates to the State Young Democrats convention held in Columbia Saturday.

Also attending the state meeting was Mrs. Claude Cook, of Laurens, vice-chairman of the state Democratic party, and also vice-chairman of the county organization.

Air vs. Ground Attack To Feature PC-LR Game

A sparkling offensive show is expected when Presbyterian College, seeking its 11th straight home football victory, entertains a powerful and favored Lenoir Rhyne team in a Carolinas Conference game here Saturday night.

The element of conflict will pit Blue Hose passing against the Lenoir Rhyne ground attack. Both teams rode their specialties to opening game wins last week, against Frederick and Wofford respectively, and Lenoir Rhyne was impressive enough to rate as a two-touchdown favorite this weekend.

It's the 13th renewal of a rivalry that has been as tight as bee's wax. The 12-game series now stands at five wins and two ties, with PC scoring 112 total points against 115 for LR. The Bears had their biggest margin of victory last year in defeating Presbyterian, 14-35, enroute to the conference championship. Saturday's game opens defense of that title.

Greenwood Mills Accident Rate Is Being Reduced

Greenwood Mills has reduced accidents 44 per cent during the first eight months of this year, Clyde B. Simmons, Manager of the Safety Department, has announced.

This includes the 14 plants in Greenwood and Laurens Counties, the service department, and offices, he noted. A total of 8,769,382 man hours of work was accomplished during the period. Total accidents recorded this year was 131, compared with 236 last year. The lost time ratio was 1.71, compared with 3.04 in 1965.

Patterson and Elliott Lead In Treasurer's Race

Assistant Attorney General Grady L. Patterson led a Democratic primary race for the state treasurer nomination Tuesday but was forced into a runoff with Richland County Treasurer Tom E. Elliott.

Trailing well behind the front runners in the sparse balloting, and eliminated from the contest were Spartanburg accountant William Garrett and Mason T. Motes of Laurens, a former investigator for the State Tax Commission.

Returns from 1,447 of the state's 1,619 precincts gave Patterson 18,363 votes and Elliott 14,859. Garrett had 5,379, and Motes 2,225.

Leading in the race in Laurens County, as expected, was Motes, with 651 votes; Patterson was next with 276 votes, and Garrett and Elliott trailed with 185 and 117 votes, respectively. Only 1220 votes were cast in the county.

Only 142 votes were cast in Clinton. They were as follows: Elliott, 49; Patterson, 38; Motes, 3; Garrett, 19.

The No. 1 box gave Elliott 44; Garrett, 3; Motes, 16 and Patterson 12.

The No. 2 box gave Elliott 7; Garrett, 11; Motes, 18, and Patterson 26.

Clinton Mill box gave Elliott 5; Garrett, 5; Motes, 2, and Patterson 6.

The vote over the state was extremely light, with less than 50,000 votes being cast. The run-off primary will be held on October 4.
