

# HAPPY HOLIDAY FOOD BUYS

W-D BRAND... U. S. GRADE "A" BROAD BREASTED HEN

## TURKEYS... Lb. 39¢

There's more white meat in a W-D Broad Breasted Turkey... we planned it that way. They were especially developed to give more white meat. Compare one with an ordinary turkey... it's obvious the breast is bigger. The extra moistness, the richer flavor is obvious too... from the first bite. Naturally, more people buy W-D Brand Broad Breasted turkeys every year. You do, don't you?
