Mr. Layton, 68, died Thursday, Dec. II. at Bailey Memorial Hospital after a brief illness. He suffered a heart attack at his home on the morning of Nov. 13.

Born in Folkston, Ga., he was served for eight years on the reared at Thornwell Orphanage and graduated from Thornwell ton-Newberry Gas Authority. He College, later combined with Presbyterian College.

Mr. Layton came to Clinton in January, 1907, when he and his twin brother entered Thornwell, joining three older brothers who already were enrolled.

They both entered the printshop at Thornwell as they entered the sixth grade. After the late W. W. Harris bought The Chronicle, the twins worked for the firm after school and on Saturday.

Mr. Harry Layton was graduated from Thornwell High School in 1916, winning the medal for the "Best Printer" in the class. He was graduated from Thornwell College in 1920.

He worked continuously for The Chronicle except for one year---1924---when he was employed by a book publishing company in Milwaukee, Wisc. He and the former Clara Henry of Jacksonville, Fla., were married in Chicago in January, 1924. After that year in Milwaukee, they returned to Clinton and he rejoined The Chronicle.

During his career with the newspaper, he advised and encouraged the editors of the Clinton High School newspaper, "The Sentinel", and the Presbyterian College newspaper, "The Blue Stocking". Several of them went on to follow careers as journalists or authors, including: Hugh Helman at the University of North Carolina; Jake Penland, sports columnist for The State; Charles Mcdonald, World War II historian; Paul League, editor of the Seneca Journal; Ben Hay Hammett, alumni director of Presbyterian College; Douglas Kiker, Rome correspondent for NBC. Other former school editors who were guided by Mr. Layton include Harry Dent, as-

most pressing needs in my strict people." It is designed to opinion:

Vol. 70 -- No. 50

(1) Clintons most pressing need is a ring road around our city. Much work has been done to obtain such a road and we all see how much more work will have to be done by all to obtain such a project. This project would be a benefit to every citizen of our city and would aid in the orderly growth of this city. - A must in this project would be a orverhead bridge which would span our two railroads. This would serve also as a emergency bridge for fire and other emergency units in case of a train blocking all R.R. Crossings in our city. This ring road needs to be near to the city as possible on all four

> (3) A study now would show that our city can now, by moving into our new city hall next year, provide an insurance rating of "6" in lieu of our present "7" rating. This would provide insurance rate reductions for every property owner. It also would provide more and better fire and emergency protection for every citizen of Clinton. This study would show that the total amount of dollars paid for city taxes and property insurance by a taxpayer would be reduced.

This would promote city growth in every way.

Then at the point of electrical and water system breakdown due to wear and overloads, the city issues utility bonds and rebuilds the system. This is false economy. Look at the audit for the total utility bonds outstanding now. Special Election Slated Feb. 10 To Complete Term

A primary will be held Jan. 13, 1970, and a special general election on Feb. 10, 1970 to fill the balance of term of Harry C. Layton, mayor of Clinton, who died last Thursday.

Clinton City Council set the dates at a special meeting Monday

Mr. Layton had served as mayor since September, 1968, and the two-year term expires September, 1970. According to state law, if a vacancy occurs over 60 days prior to the next election, a special election must be called to elect someone to fill the balance of the term.

The primary will be held on Jan. 13, 1970. If a second primary is necessary, it will be held on Jan. 20.

The general election is set for Feb. 10, 1970.

The new mayor is to take office on Feb. 16 and serve until Sept-

The regular primary will be held in the spring and the general election next August for the full two-year term which will commence in September, 1970.
