John H. Wells' Insurance Agency is advertising a very attractive proposition to live stock owners, and it is a matter that all owners of live stock ought to investigate. See the ad. in another column and then see Mr. Wells who will be glad to explain fully the proposition.

From an Exile.

"I am glad to get the Chronicle each week and note with much interest and pleasure the evidence of new enterprises and new life in the dear old town. Your paper, too, keeps well abreast of the times and shows marked improvement each year, all of which I congratulate you on."

The above is copied from a private letter to the editor of the Chronicle from a former Cheraw boy and a life-long friend of the editor's. We quote it just to show to the people of Cheraw that, although by force of circumstances some of our boys make their homes in other places, they never forget their old Cheraw.

Millinery Openings.

There will be great times in Cheraw Monday, Tuesday and Wednesday of next week, during the millinery openings at Powell's and Miss Gandy's. The best that the milliners can design with their artistic touch and refined taste in their profession of running the artificial parallel with the natural, will be displayed and exhibited at these stores on the days mentioned. If the ladies fail to take advantage of this opportunity Easter will find them in an unsatisfactory mood.

An Awful Eruption

of a volcano excites brief interest, and your interest in skin eruptions will be as short, if you use Bucklen's Arnica Salve, their quickest cure. Even the worst boils, ulcers, or fever sores are soon healed by it. Best for Burns, Cuts, Bruises, Sore Lips, Chapped Hands, Chillsblains and Piles. It gives instant relief. 25c at Theo. E. Wannamaker's.

All Night Service.

It has been suggested to The Chronicle that it call attention to the fact that the post office closes at night directly after the night mail is distributed and that unless you are "Johnny-on-the-spot" you have to wait till next morning to get your mail, and to suggest that it would be a great convenience to a great many people if some arrangement could be made whereby the holders of lock boxes could get to them at any time of night. And as The Chronicle heartily approves of the suggestion, it gladly calls attention to the matter and hopes that such an arrangement can be put into effect.

The Cheraw Bible Society.

The annual meeting of the Bible Society will be held next Sunday evening at 8 o'clock at the Baptist church. Rev. Marvin Auld, of the Methodist church, will preach the annual sermon. All are cordially invited.

Death of Mrs. E. C. Hardin.

Mrs. E. C. Hardin died at the home of her son, Dr. J. H. Hardin, in this city, Monday last at about one o'clock, in the 86th year of her age. The remains were taken to Monroe, N. C., on Tuesday, where all that was mortal of this grand old mother in Israel now rests in peace by the side of a devoted husband, who preceded her to that land "whence no traveller returns," a few years ago.

The deceased was the mother of a large and gifted family, many of whom now have "silver threads among the gold," as a reminder that they, too, are nearing life's sunset.

Vain is any attempt to measure the loss of a mother to her children; after all the poets have sung and lovers dreamed, outside of Heaven there is no love like mother-love. We believe the tender care devoted to those nearest and dearest went with her to the better land. We fancy her awaiting them in the place prepared for her, a little apart, possibly, from the innumerable company in bright array; perhaps in one of the "Palaces of ivory" of which old Bonar sang.

Each death is a link that binds us to the beyond. May we all so live and do that when our time comes we will be found a good link in the endless chain of the plan of Nature.

WANTED—To buy two or more shafts. Apply at this office.

Messrs. E. C. Beelman and J. H. Schooley, who have made Cheraw their headquarters for the past several months, while introducing their new 20th Century Washing Machine, expect to leave here in a few days. While here these gentlemen have made many friends by their quiet, gentlemanly bearing and we regret to see them leave. They have a good proposition in their washing machine and they have placed quite a number in this section. There is no trick in their proposition, they have a good machine which they show you and if you think there is nothing to it they say no more. But seen in operation you are sure to see the points of advantage and want one. They are good. We know from experience, having purchased one ourselves, and we know they will do all and more than is claimed for them.

Wholesale Grocery Store For Cheraw.

Messrs. J. M. and B. T. Long, formerly of Honey Path, S. C., have moved to Cheraw and will engage in business here. They have rented the large two-story brick building, corner Front and Church streets, and will conduct a strictly wholesale grocery business. They received their first shipment of goods yesterday and will have a full stock in a few days. Merchants in Cheraw and throughout the surrounding territory will do well to get prices from this firm before placing their orders. We welcome these gentlemen to our town and wish for them a full measure of success in their undertaking.

Death of C. A. Brown.

Mr. C. A. Brown, who has been conducting a grocery at the corner of Second and Church streets for the past year or more, died last Monday night after a short illness. Mr. Brown came here from Marlboro county. He was a quiet, peaceable citizen and apparently was doing a nice little business. His remains were taken to Ebenezer, in Marlboro county, for interment.

Be Careful Where You Invest.

Attention is directed to the advertisement in The Chronicle of Messrs. Tillman-Davidson Co. If you want to buy a piano or an organ, don't invest as large a sum as it takes to buy one with some fly-by-night fellow, but go to the Tillman-Davidson Co., who, although but recently located in Cheraw, are among the oldest and most reliable dealers in musical instruments in the state. They handle as good instruments as are made, and sell at reasonable prices and on terms that please.

A good workman requires good tools

The thrifty farmer always buys the STUDEBAKER WAGON.

He can not afford to buy a cheap wagon. Because it's a handicap to his business.

And, The farmer is as much a business man as the merchant—his land and his tools are his stock in trade;

The better tools he uses and the more intelligently he uses them, the better will his business be.

The "tool" that he uses oftener during the year than any other, is his wagon. Which is all the more reason why he should have the best wagon that he can buy.

And that is the **Studebaker WAGON**

We sell and guarantee it.

Death of Miss Lucia Coit.

Miss Lucia Coit, so well known to the older generation in Cheraw, died in Washington, D. C., March 12th, in the 80th year of her age. The funeral service was held from the Presbyterian church here last Monday.

She lived in Cheraw with her brother, Maj. J. C. Coit, for many years and moved with him to Washington about ten years ago.

She was a devoted member of the Presbyterian church, but had many friends in all the churches who were greatly grieved to hear of her death. The end came peacefully. She literally "fell on sleep."

To the bereaved family we tender our sincere sympathy.

The "Flower Committee" of the Civic League is getting busy in anticipation of the Spring Flower show to be held the latter part of next month. From present indications there will be an abundance of flowers and the show a greater success, if possible, than last year. And just as a reminder to the prize winners of the chrysanthemum show last fall, now is the time to put out your "mums," to have them in prime order for the November show. "A hint to the wise is sufficient."

The Doctor's First Question

"How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says. J. C. Ayer Co., Lowell, Mass.

If the Horse or Mule That You Expect to Make This Year's Crop With Should Die Are You Able to go to Your Live Stock Dealer and Buy a New One?

Don't place yourself in this position. The only way to avoid it is to let me insure your live stock against death from any cause. The policy that I write on your stock is exactly like the policy on your life.

The rate on work and driving stock is 6 per cent.

Don't wait until your mule or horse gets sick and then wish that he was insured, but do it now.

The Southeastern Pays All of Its Losses in the Same Prompt Manner

Mr. C. W. Estes, General Agent, Southeastern Life Insurance Company, Cheraw, S. C.

Dear Sir:-

I wish to thank you and your company for your promptness in paying Policy #180 on the life of my brother, G. Wells Vaughn. Although he had insurance with other companies, none received such prompt attention as yours. Little did we think when the policy was taken out that it would be such a little while before he would be taken away from us.

Again thanking you,

Respectfully,

(Miss) Carrie Belle Vaughn
