NO. 21

CHESTERFIELD MEDICAL SOCIETY MEETS.

Enthusiastic Meeting of Chesterfield Doctors Held in Cheraw Last Thursday.—Address by Dr. Chas. W. Kollock, of Charleston.

The Chesterfield Medical Society held its annual meeting in the rooms of the Chiquola Club last Thursday. The meeting was very enthusiastic and subjects of vital importance to the profession were discussed.

Dr. Chas. W. Kollock, of Charleston, was present and addressed the meeting.

The following officers were elected:

President, Dr. T. E. Lucas, of Chesterfield.

Vice-President, Dr. L. E. Bull, of Cheraw.

Sec. & Treas., Dr. I. R. Wagner, of Chesterfield.

Drs. I. R. Wagner and E. A. McClellan were chosen as delegates to attend the meeting of the South Carolina Medical Association which meets in Laurens next month.

Tribute of Respect.

At our anniversary meeting on St. David's Day, we missed one of our members, Mrs. Pendleton, who has been called from this earthly life to a higher and larger one.

Coming to us a stranger only a few years ago, she had endeared herself to us by her beautiful character and by her faithfulness and devotion. Though unassuming, she was always ready to help in every good work. Especially was she helpful in the Sunday school. She was truly faithful in all good works and has left us an example which we shall not soon forget.

We hereby express our appreciation of her, our sorrow at her loss, and our sympathy for the family.

Resolved, that a page in our minutes be devoted to her memory, a copy of these resolutions be sent to her family and also that they be sent to the county papers for publication.

Mrs. W. R. Godfrey,
Mrs. M. W. Duvall,
Committee

WOMEN OF MIDDLE AGE

Need Lydia E. Pinkham's Vegetable Compound

Brookfield, Mo.—"Two years ago I was unable to do any kind of work and only weighed 100 pounds. My trouble came back to the fact that women expect nature to change on them. I took a bottle of Lydia E. Pinkham's Vegetable Compound and it made me feel much better, and I have continued to use it. I am now enjoying the good health I am now enjoying."—Mrs. SARAH LUTHER, 414 S. Livingston Street, Brookfield, Mo.

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease and pain.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

For 30 years it has been curing women from the worst forms of female illness—irregularity, ulceration, displacement, fibroid tumors, irregularities, pain, nervousness, backache, and nervous prostration.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free and always helpful.

DON'T BE BALD.

Almost Any One May Secure a Splendid Growth of Hair.

You can easily find out for your self if your hair needs nourishment; if it is thinning, getting dry, harsh and brittle, or splitting at the ends. You simply have to pull a hair from the top of your head and closely examine its root. If the bulb is plump and rosy it is all right; if it is white and shrunken your hair is diseased and needs nourishment.

We have a remedy for your hair troubles that cannot be surpassed. It has a record of growing hair and curing baldness in 93 out of 100 cases where used according to directions for a reasonable length of time. It will even grow hair on bald heads if the scalp is not glazed and shiny. That may seem like a strong statement; it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so sure that Rexall "93" Hair Tonic will completely eradicate dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for Rexall "93" Hair Tonic in every instance where it does not do as we claim or fails to give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is perfumed with a pleasant odor, and does not grease or gum the hair. We have it in two sizes, prices 50 cents and \$1.00. We urge you to try Rexall "93" Hair Tonic on our recommendation and with our guarantee back of it. You certainly take no risk. Remember, you can obtain Rexall Remedies in Cheraw only at our store, the Rexall Store, J. T. Ladd.

SOCIABILITY RUN.

From Augusta to Pinehurst, Via Columbia, Camden and Cheraw.

President Whaley of the Automobile Association of Columbia will appoint a special committee within the next few days which will confer with automobilists of the towns in the lower stretch of the Capital highway relative to the proposed "sociability run" from Augusta to Pinehurst.

As announced, the run will be held on April 18 and 19. Reports from Augusta are to the effect that a large number of cars will be entered from that city. The Augusta motorists and those from the towns between this city and Augusta will leave on the morning of April 18, and arrive in Columbia during the afternoon. Together with the Columbia automobilists the party will proceed to Camden for the night and thence to Pinehurst via Cheraw on April 19.

The automobile association of Columbia has taken on new life and an effort is going to be made to secure the name for membership of every owner in the city. The future of the Capital highway depends largely upon the local association. There are nearly 250 automobiles in Columbia and the association has a membership of only 98.

The matter of a state organization of the American Automobile Association has been left with the board of governors of the Columbia club. When the Camden association has been organized South Carolina will be eligible to enter the national association.—The State.

PEARY SNUBBED BY CONGRESS

No Reward Unless He Furnishes Polar Proofs

Washington, March 9.—By a practically unanimous vote the sub-committee of the house naval committee today decided against bestowing any reward upon Commander Robert E. Peary until he had furnished further proofs that he discovered the North Pole.

"I confess that I am exceedingly skeptical about Mr. Peary's ever having discovered the pole," declared Mr. Macon today before the committee.

Mr. Macon said he wanted to direct attention to one "discrepancy in Mr. Peary's story." This was the speed which the explorer declared he made from the time Captain Bartlett left him until he reached the pole. Mr. Peary said that for five days he made 28.6 miles per day, but Mr. Macon said this appeared very singular in view of the fact that the Peary party had made but 9.06 miles per day up to the time Bartlett left.

ONLY A NEGRO WITNESS.

During this part of his journey, Mr. Macon said, "no white man was with him as a witness, his only companions being his negro valet and four Eskimos."

"He claims to have made an average of 44 miles per day on his way back from the pole to Bart-

Senator Tillman Remains at Home Only Two Days—He and His Wife Enter a Sanitarium at Atlanta.

Atlanta, Ga., March 21.—After a stay of two days at their home in Trenton, S. C., United States Senator Benjamin R. Tillman and Mrs. Tillman arrived in this city last night. The Senator was driven immediately to a local sanitarium, where he will remain until he has fully recovered from his recent illness.

Physicians at the sanitarium after an examination said that the Senator's condition was very much improved, and that he only came here to take the "rest cure" after which it is expected he will be fully recovered.

DEATH OF MRS. HERBERT.

Mother of Well Known Methodist Ministers Passed Away.

Mrs. Thomas G. Herbert, widow of the late Rev. Thomas G. Herbert, and most highly esteemed lady in the state, died at her home in Leesville Monday. She was the mother of Rev. Walter I. Herbert, of Charleston, at one time pastor of the Cheraw Methodist church, and Rev. C. C. Herbert, of Cheraw. Rev. J. G. Herbert, also one of her sons, is a member of the South Carolina conference. She was also a sister of Mrs. S. E. Caston, of our city.

lett's camp, and 28.6 miles per day from Bartlett's camp to Cape Columbia.

"The greatest speed he made before Bartlett left him was 9.06 miles per day; so Peary must have made nearly three times as great speed after Bartlett left him as he did before, in order to reach the pole."

Mr. Macon declared that Mr. Peary's own statements showed that he equaled this speed but twice during the entire journey to the pole. The first day he started from land he made 26 miles, and on another day made 29 miles in 14 hours of forced march, "which Mr. Peary has told us was about the limit of human endurance."

Mr. Macon quoted Lieutenant Shackleton, General Greely and others to show that "10 to 12 miles per day, or slightly more, perhaps, is considered the limit of human endurance traveling over polar seas."

NO PROOF NO HONORS.

"I am absolutely opposed to congress granting any award to Commander Peary unless his proofs are made public," declared Representative Roberts of Massachusetts, a member of the sub-committee. "No doubt

the members of the committee wouldn't be able to tell anything about Mr. Peary's records even if they were submitted to us, for we are not scientists, but at least the country would be given a chance to know why we were honoring him.

"There is nothing whatever before us to show that Mr. Peary has discovered the pole, further than the statements of certain gentlemen that he did. Could the members of this committee go in to the house and support any bill which they presented when they had no facts to back it up? We would be in a ridiculous attitude."

How Good News Spreads

"I am 70 years old and travel most of the time," writes B. F. Tolson, of Elizabeth, Ky. "Everywhere I go I recommend Eberle's Bitters, because I owe my excellent health and vitality to them. They effect a cure every time. They never fail to tone the stomach, regulate the kidneys and bowels, stimulate the liver, invigorate the nerves and purify the blood. They work wonders for weak, run-down men and women, restoring strength, vigor and health that's a daily joy. Try them. Only 50c. Satisfaction is positively guaranteed by Theo. E. Wannamaker."

Rev. Carroll Lectures in Cheraw.

Rev. Richard Carroll, the eminent colored divine, of Columbia, delivered two lectures in our city Sunday under the auspices of the Pee Dee Union Baptist church.

In the afternoon he lectured to the white people in the town hall. A large number of Cheraw's representative citizens and quite a number of ladies were present, all of whom enjoyed his talk very much.

In the evening he addressed the colored people in the Pee Dee Union Baptist church.

Rev. Carroll is a very fluent speaker and is very entertaining. His object in lecturing over the country is a worthy one, and he should receive the support of all our people.

Morgan Forms Auto Combine.

Detroit, Mich., March 9.—A deal of immense importance in the automobile world and one which promises to add much to Detroit's industrial advancement was closed in New York by which the entire plant and stock holdings of the E-M-F Company were transferred to J. P. Morgan & Co. The price paid was \$6,000,000, it is said.

J. P. Book, vice-president of the E. M. F. Company, says that that property alone will ultimately be capitalized at from \$30,000,000 to \$50,000,000.

"It is true that the stockholders of the E-M-F Company have sold to Mr. Morgan," said Vice-President Book.

Ford-Robeson.

The following invitation has been issued:

Capt Thomas Ford requests the honor of your presence at the marriage of his daughter, Martha Selena to Mr. Thomas DeWitt Robeson, Wednesday afternoon, April sixth, nineteen hundred and ten, at two thirty o'clock, Prince George Winyah church, Georgetown, South Carolina.

Reliance Life Insurance Company, of Pittsburgh, Pa.

JAMES H. REED, President.

Assets \$2,976,383.34

Liabilities \$1,259,609

More money behind each individual policy than in any other company in the United States. Our dividends are as LARGE or LARGER. Some companies estimate that the accumulation of dividends equal four premiums and that a 20 payment life policy is paid for with a sum equal to 16 annual premium payments. Why take an estimation when the Reliance Life guarantees you an amount, on a 20 pay policy, equal to more than 5 1-2 premiums, if allowed to accumulate at 3 1-2 per cent.

On \$10,000 policy, 20 payment life, age 30, premium \$347.60. Guaranteed accumulation of dividends \$1,927.10. Guaranteed cash value end 20 years \$7,007.10 or paid up policy \$13,380.40. If dividends are used to reduce premiums annually, \$41.50 is the first and \$173.10 is the 19th dividend guaranteed. Compare these figures with the policy you now have or write for information regarding any policy you would like. Reliance Life policies are second to none. Men of ability wanted to write life insurance on liberal commission contract or straight salary. Golden opportunity.

CHERAW, S. C.

Bible Society Meets.

The Cheraw Bible Society, an auxiliary branch of the National Bible Society, held its annual meeting last Sunday night in the Baptist church. The annual sermon was preached by Rev. Marvin Auld, pastor of the Methodist church. After the sermon the Minutes of the last meeting was read and approved and the reports of the retiring officers were received, after which a committee was appointed and a canvass of the congregation made for members.

Right here it may be well to give some idea of the objects, &c., of this society. It is non-denominational and is organized for the purpose of raising funds to supply Bibles to those not able to buy them. Through the efforts of this society the Bible has been translated into several languages and has been distributed in many countries. Depositories

have been established all over the country where bibles are kept and there a person can get a nicely printed and bound bible at a very, very cheap price, and if not able to pay for it the depository is instructed to give a copy free. Auxiliary societies are to be found all over the civilized world. These societies meet once a year. The annual dues are only 25 cents and these dues are always supplemented by a voluntary contribution. All monies collected as dues and by contribution are sent to the head office of the society in New York.

The officers of the Cheraw auxiliary elected last Sunday night are: president, Dr. L. H. Shuck; vice-president, Rev. Marvin Auld; secretary-treasurer, R. T. Caston; depository, J. T. Ladd.

The next meeting of the Cheraw auxiliary will be held in the Methodist church.

Farrand Pianos and Organs

Everett Pianos

Steinway Pianos

Victor Talking Machines

Edison Phonographs

What do you think of this line?

We are here to please the people that we live among.
We have the very best goods that money can buy.

See our stock of Victor Talking Machines and Records,
Everything from \$10.00 to \$125.00. In the next few weeks we will add to this line

2,000 Edison Records

and some very fine Everett Pianos

Come see and examine our goods—talk it over with us
and hear the Victrola, also ask to hear Evans Williams sing.

It is our pleasure
