## HARDWICK RECEIVES LETTERS

**One Northern Republican Thinks Obedience to Amendment is a Perfect Farce.**

A dispatch to the Atlanta Journal says: Congressman Hardwick author of the joint resolution to repeal the fourteenth and fifteenth amendments to the constitution and disfranchise all the negroes, has received hundreds of letters from all parts of the country commending the measure. Singularly enough, most of these letters come from the middle and the extreme west. He has had dozens from the state of Illinois and many from California and Colorado urging discrimination against Japanese.

J. E. Peterson, of Chicago, editor and publisher of several magazines, has written as follows: "The writer hereof, a Republican newspaper man, wishes you God-speed in regard to your bill to disfranchise every negro in the United States. You have the courage and conviction that the negro is only smart when he is a freak, and a fool all the time, for instance, Dr. Washington. I trust that you will be successful and that in the near future the American people will realize that it is no crime to say that Lincoln fooled the white people of this country when he set the negro adrift, and the fourteenth amendment is a distressing farce to every citizen."

Mrs. Hattie Godfrey, while walking out in her flower garden last Thursday afternoon, had the misfortune to trip over a root and fall. In falling she attempted to catch and as a consequence fell on her left arm. Two of the small bones of the wrist were broken. The broken member was attended to at once and to the gratification of her many friends Mrs. Godfrey is now getting on nicely. It is hoped she will soon be able to take advantage of the nice weather we are now having and be out again.

## IT'S YOUR KIDNEYS.

**Don't Mistake the Cause of Your Troubles.**

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It is for ills which are caused by weak or diseased kidneys. Residents of this vicinity are constantly testifying to benefits received.

E. T. West, Broad st., Darlington, S. C., says: "I have used Doan's Kidney Pills and have found that they act just as represented. I had a lame and aching back and there were pains through my kidneys. A few months ago I used Doan's Kidney Pills as directed and they acted so beneficially that I have no hesitation in telling my experience. I have not been bothered by backache since I took this remedy."

is nature's way of making you take the proper care of yourself. If a corn did not hurt you so that you would cure it or at least protect it, it would sooner or later result in a serious and dangerous ulcer.

It is your own fault that you have them in the first place, but maybe you did not realize it at the time. At any rate you deserve no sympathy for the painful trouble, when for a little care and a few cents spent for a package of our corn cure, you can have relief in a short time and a permanent cure, if you will follow directions.

**THE FOOD YOU RELISH MUST BE WELL FLAVORED.**  
Pastries and desserts in which flavoring extracts are principally used are eaten from the standpoint of a pleasing taste more than for the nourishment they contain.

Many housewives, however, find it difficult to flavor such articles exactly as desired. This is because many extracts vary so much in strength, and from the artificial ingredients from which they are compounded. Our extracts are pure, natural and full strength. Not only does this make them cheaper to use, but insures a better, richer flavor and the ability to get the taste desired without guessing or testing.
