From a special to the Columbia Register of the 24th inst, we take the following: "The coming week will be an eventful one, even in the history of the exposition. Thanksgiving Day. Next Thursday will be thanksgiving day, and we presume most, if not all, of our business men, will close up on that day. Of course if there is any one who has nothing to return thanks for it is not to be expected that such an one will close up their place of business. The air we breathe, the vater we drink even is a blessing rom Cod, but some may not care for these small things, nor their Creator either. We hope, however, that the day will be generally observed, not only in our town, but throughout the county. "In everything give thanks, for this is the will of God."

On Thanksgiving day (next Thrs-day) there will be services approapriate to the occasion at the Pre-by-terian Church at 11 A. M. A sermon will be preached by the Pastor.
