Adjournment of Court. The court of general sessions ad-journed sine die Thursday. This term of court has been a remarkable one for the dispatch of business, having in three days disposed of, by trial by jury, more cases than at any previous term in six days. This record is sus-tained, however, by Judge Ernest Gary wherever he holds court. His

Editor The Wateree Messenger:-Kindly allow me to inform the people of Kershaw County and Camden City some important details with reference

some important details with reference to the meeting on the grounds of The Sumter Memorial Academy, at State-burg, on the 14th day of August next; of which meeting they have before been fully advertised, as the occasion of the inaugaration of the Demoustration Farm work to be done by the United States Department of Agriculture, in connection with the school, and to be addressed by Dr. Seamen A. Knapp in charge of the Bureau of Plant Industry as field agent of this work. Dr. Knapp's reputation ag a scienti-

Dr. Knapp's reputation as a scienti-fic agriculturist and platform orator is hardly equalled by that of any man on the American continent. All who atend the meeting may rest assured that in this address alone there will be af-forded full compensation for all the

pains incurred in attendance, even though they have to come long dis-tances. It will be instructive and in-

spiring and entertaing in the highest degree, we may safely predict. It has been my good fortune to hear Dr. Enapp, under the higest expectations of pleasure and profit, when he not only filled the measure of these expectations, but overflowed it. Besides Dr. Knapp, there will be several speakers of distintion. Among

others we have invited the presence of two experts from the Department of Agriculture to talk on cattle and fruit
