## Time Short For Accepting Contracts

Due to the fact that the time for accepting Cotton Acreage Reduction Contracts expires at midnight January 31, 1934, it is highly important and urgent that all farmers who are eligible to make these contracts get in touch with their committeemen without delay and execute a contract so that they will be sure they will not be left out when the time expires. Farmers of Kershaw County are called upon to cooperate in this matter as they have never been called upon to before. This is because we are very short on committeemen and it will be physically impossible for our committeemen to look up every farmer in the county who is eligible to make a contract. Therefore, it becomes absolutely necessary that the farmers cooperate by looking up their committeemen. Please do not make the mistake of waiting until a committeeman comes to see you. In case you can not find your committeeman you should then come immediately to the County Agent's office in the Court House in Camden and we will help you here to make your contract. No excuse will be accepted later as to why a farmer did not make a contract, provided he is eligible to do so.

No Seed Loans or other government money will be loaned to a farmer who did not make a reduction contract provided he was eligible to do so. Those eligible to make these contracts are landowners or others who have absolute control over the land. If there are any questions or if there is any reason why you have not signed a contract, please get in touch with your committeeman or County Agent at once and ask any questions or get any assistance you desire and then execute your contract. No contracts will be accepted after time expires. This is the biggest opportunity our farmers in Kershaw County have ever had to help themselves. No farmer can afford to fail to cooperate with his neighbors and government in this gigantic effort to free our people of their economic bondage.

Look up your committeeman at once and make your contract without delay regardless of what you are doing or what work you are engaged in. This is strictly to the advantage of our farmers to enter into this movement. You are being paid well for this cooperation.

HENRY D. GREEN, Co. Agent

## KERSHAW PRODUCTION CREDIT ASSOCIATION

The offices of the Kershaw Production Credit Association in Kershaw, are now open and ready to serve the Farmers. Both Lancaster and Kershaw Counties are covered by this Association. The offices are located in the Bank of Kershaw Building, on the second floor.

It is of vital importance that the Farmers see the Inspectors in their respective territories, and put their applications in with them. The Inspectors have been provided with the necessary information and materials for doing this work, and are now waiting to fill in the applications. If any question arises that cannot be satisfactorily answered by an Inspector, it is not necessary to call at the Main Offices in Kershaw. If the Farmer will write a brief letter to the Kershaw Production Credit Association, the information will be sent to him as quickly as possible.

Applications are being received each day, and it is for the individual Farmer's best interest that he get an application in as soon as possible, so that there will be plenty of time to get his application properly attended to, and to avoid any rush.

A. G. CLARKSON, Secretary.

## Mrs. DeLoache Laid To Rest in Camden

The many friends and relatives of Mrs. W. E. DeLoache were saddened to hear of her death which occurred at her home in Columbia last Wednesday night. Mrs. DeLoache spent many years of her life in Camden and was greatly loved and esteemed by all who knew her. Following is an account of her death which appeared in Thursday's Columbia State:

"Mrs. Meta Workman DeLoache, wife of William E. DeLoache, Sr., died at her home at the Epworth orphanage at 7 o'clock last night of pneumonia and complications of the heart.

"Mrs. DeLoache was a sweet and gentle Christian woman, devoted to the work of the Methodist church in whose tenets she had been steeped, coming from a long line of ministers in this faith. Always kind, thoughtful, generous and hospitable and endowed with a keen interest in the welfare of others, she was beloved not only by the members of her family, but by all who came under the gracious influence of her nature.

"The daughter of the Rev. James Jenkins Workman and Mary Ann Sullivan, Mrs. DeLoache was born at the Sullivan home in Greenville county, April 25, 1869, and would have been 66 years old her next birthday.

"She is survived by her husband, William Elliott DeLoache, Sr.; two sons, W. E. DeLoache, Jr., president of the Columbia chamber of commerce, and Mims Workman DeLoache of Columbia; two daughters, Miss Meta DeLoache of Peterson, N. J., and Mrs. Harry R. Hampton, of Columbia; a brother, the Rev. J. M. Workman, of Fordyce, Ark., former president of Henderson-Brown college and two grandchildren, William E. DeLoache, 3rd, and Nell Ray DeLoache.

"The death of Mrs. DeLoache came as a great and sudden shock to members of her family, for she had been in particularly good health this winter, though long a sufferer from heart trouble and twice before having been ill with pneumonia. She was taken sick last Friday with a bad cold and pneumonia set in Sunday, but Tuesday her temperature fell and it was thought she was beginning to recover. After 5 o'clock yesterday afternoon she took a sudden turn for the worse and died shortly after 7 o'clock."

It was the gift of a friend in Columbia, he said.
