## Kershaw Co. Schools Inaugurate Play Day

The first play day of Kershaw County was held Friday, April 20, 1934 at Baron DeKalb High School. The play day is a popular event now all over the South, the emphasis being upon the play spirit rather than upon the interscholastic competition.

All eight high schools in the county were invited to send ten girls to represent their school in this event. Fifty girls participated in the games during the afternoon. Midway high school, accompanied by Supt. W. B. Stevenson, was represented by twenty girls, Charlotte Thompson, accompanied by Miss Elizabeth Workman, brought eight girls. Camden, accompanied by Miss Gertrude Zemp and Mr. C. P. Goodyear, brought ten girls. Baron DeKalb had thirteen girls.

Upon their arrival at Baron DeKalb these girls were placed on a color team, either blue, green, red or yellow. These four teams were made up of girls from all four schools. In this way the girls develop wholesome friendships rather than a feeling of intense rivalry.

The following program was carried out:

1:00—1:30 Registration and dress. Meeting in auditorium.  
1:30—1:50 Mass games.  
1:50—2:20 Volley ball, Red vs. Green; Base Ball, Yellow vs. Blue.  
2:30—3:00 Volley ball, Yellow vs. Blue; Baseball, Red vs. Green.  
3:10—3:40 Horseshoe, Red vs. Blue; Individual Challenge, Yellow vs. Green.  
3:50—4:20 Horseshoe, Yellow vs. Green; Individual Challenge, Red vs. Blue.  
4:30—5:00 Relys.  
5:10—5:40 Chapel Program.

Welcome by Wilma Sill, President of Physical Education Class, and Mr. J. K. Lee, Jr. Songs and stunts by color teams. Tap dancing, members of Physical Education Class.

Awards.

5:40 Refreshments.

At the Chapel program announcements were made by the color team winning the highest number of points during the afternoon. First place with a total of 386 points went to the Blue team, with Nannie Truesdale of Baron DeKalb as Captain. A very simple award was made to the winning color team. After the Chapel program refreshments, consisting of punch, sandwiches and cookies were served to the visitors.

The play day program offers opportunities for the development of student leadership as all events were supervised by student leaders. This program was planned and conducted by the boys and girls of the Physical Education Class of Baron DeKalb school, under the direction of Miss Sara Bruce.

Since the play day was as thoroughly enjoyed by all participating we hope that it will be an Annual event of Kershaw County.

The following girls were present in the play day: Mary Ellen McDowell, Pearl Bradley, Willine McGurt, Ruby Melton, Goldie Shirley, Zelma Goodman, Pearl Godwin, Dannie Smith, Minnie Sue Bruce, Elizabeth Pitts, all of Camden; Willie C. Anderson, Louise Tidwell, Sadie Corbett, Orlie Brannon, Mary Lane, Thelma Stokes, Floe Rozier, Dorothy West, Ruth Anderson, Willie Horton, Ellen Horton, Ruby Gay West, Virginia West, Thelma Cato, Laurie West, Eva Corbett, Gene Cooper of Midway, Lila Dixon, Iva Lou Arrants, Loree Young Marjorie Shiver and four other from Charlotte Thompson; Nannie Truesdale, Vivian Truesdale, Cora Truesdale, Margaret Faulkenberry, Margaret Vincent, Paulene Holland, Ann Clarkson, Katherine Ogburn, Marie Blackwell, Velma Truesdale, Nannie Munn, Wilma Gay of Baron DeKalb.

**THE GREAT PYRAMID OF GAZEL**

This will be the subject of the address next Sunday morning before the Men's Bible Class of the Methodist church. This pyramid stands before the world as the wonder of wonders. That it has a profound significance, will be brought out by Dr. Wimberly Sunday morning. The class should rally for this unusual address. You will learn something you will never forget. Remember at 10 o'clock Sunday morning.—Jack Moore, Secretary.

Sales for the year through this period total 235,332 units as compared to 154,526 units in the same period of 1933, making the period 152 per cent of the corresponding period of 1933.

Sales reported for the twenty days of April are more than 180 per cent of the corresponding 1933 April figure of 34,354 units.

## Blackwood Silent in Reference Judgeship

Governor Blackwood was silent yesterday in reference to an Associate Press Dispatch from Washington to the effect that his name had been included in the list of those recommended for appointment as federal judge of the Eastern district of South Carolina. The vacancy was caused by the death of Judge Ernest W. Cochran.

The dispatch was as follows: Washington, April 30.—Senator Smith (Democrat) of South Carolina was advised by the justice department today that investigation of attorneys recommended for appointment as federal judge for the Eastern South Carolina district has been completed but no indication was given when a nomination might be made by President Roosevelt.

One of the men investigated was Frank K. Myers, matser in equity for Charleston county, who was recommended by Senator Byrnes (Democrat) of South Carolina.

Senator Smith has repeatedly declined to make public the names of attorneys he submitted to the department with the statement that he would support the man whom an investigation showed to be best qualified for the position.

It was authoritatively learned, however, that the list includes the name of Governor I. C. Blackwood, of Spartanburg, the only resident of the Eastern district judgeship.

Others on the Smith list are Representative McMillan of Charleston; L. D. Lide of Marion, Ben Hodges of Sumter, professor of law at the State university in Columbia, State Senator R. M. Jeffries of Walterboro, Waties Waring of Charleston and R. E. Dennis of Bishopville.

While no definite date for a conference has been suggested, both senators expect, probably this week, to discuss the judgeship appointment with justice department officials and possibly with President Roosevelt.—The State.

## Wateree Bridge Is Now "Free"

The state yesterday lifted the tolls from the Wateree bridge on United States Route 1 near Camden and pressed negotiations for the purchase and freeing of three other toll bridges on the Great and Little Pee Dee rivers.

C. R. McMillan, diision engineer, telegraphed the highway department the tolls were "permanently" removed from the Wateree span at noon. The department had arranged to pay Kershaw county \$147,500 for this bridge, making a down payment of \$19,500.

Provisions also were included in 1934 legislative acts for the department to acquire and free the Mars Bluff and Godfrey's Ferry Bridges on the Big Pee Dee and the Potato Bed Ferry bridge on the Little Pee Dee.

Ben M. Sawyer, chief highway commissioner, went to Florence today to negotiate with officials of Florence, Marion and Henry counties with the hope of arranging for the purchase of these bridges in time for a big celebration planned for tomorrow.
