Officers For Ensuing Year Named At Meeting Of Camden Garden Club

The Camden Garden club held its March meeting at the home of Mrs. H. G. Carrison. As this was the annual meeting of the club, the president, Mrs. Allison DuBose, called for the yearly reports of the officers present.

The nominating committee presented the following slate of officers for the coming year: President, Mrs. Grayson Shaw; vice-president, Mrs. E. E. Pitts, Jr.; recording secretary, Mrs. Rippon LaRoche; corresponding secretary, Mrs. Frank Wooten, Jr.; treasurer, Mrs. Alex Savaga. These were duly elected.

Mrs. Ed Craig's name was presented for membership.

Mrs. DuBose concluded the business of the afternoon with a resume of the work accomplished by the club during the past year. In brief, Mrs. DuBose's report was as follows:

"In looking back over the past year a few things might be called to your attention.

"The executive committee was asked to take up matters of interest to the club, discuss them freely at its meetings and present recommendations to the club.

"Your president and Mrs. Llewellyn attended the state meeting in Spartanburg.

"A member of the Camden Garden club was invited to become a member of the Streets and Parks commission. Mrs. H. G. Carrison

was appointed to this position. Upon her resignation later, your President has represented the club.

"In April the bronze marker for the gate of the Memorial Garden in Columbia, was placed. The committee was greatly aided in doing this by the kindness of Mr. Korhegy.

"Our hostess and program committees have provided delightful programs for the year. For the convenience of members, a small year book was made, stating hostesses for each meeting.

"The Hospital Grounds committee has been very active and through its help a great many improvements have been made on the Hospital grounds.

"Our Horticultural committee has reminded us month by month of the things we should do in the garden. It also acts as consultants with our garden problems.

"In October a card party was held at the Saratfield Hunt club which was both enjoyable and profitable.

"The sum of \$7.50 was appropriated for a holly tree to be planted on Arbor Day at the grounds of the Junior High school. A prize was given by a club member to the boy or girl writing the best essay on 'How Trees Serve Men.'

"Arrangements have been shown at most meetings and prizes given. This added to the interest and pleasure of the afternoon.

"We enjoyed the presence of the King Haglar Garden club at one of our meetings and hope that they will meet with us again."

Mrs. DuBose then expressed her appreciation to the officers and the executive board for their generous cooperation and to each member of the club for their "extreme kindness, consideration and courtesy throughout the year."

After adjournment delicious refreshments of sandwiches, cookies, wafers, coffee and tea were served by the hostess, who was assisted by Mrs. J. W. Trotter and Mrs. Rippon LaRoche.

Mr. and Mrs. Bill Burns and Mr. and Mrs. Benton Sheorn, Jr., entertained on Tuesday evening at the Teen-Age Canteen with a surprise miscellaneous shower and buffet supper for Miss Margaretta Little and L. J. Watts, whose wedding will be the social event of April 10.

Bridal green and white was used effectively in the decorations and on the supper table which was covered with a green cloth and centered with a bowl of white flowers. Miniature nosegays of snow drops were placed around the sides of the table and an arrangement of wooden spoons in a huge wedding bell design graced one end of the table. A delicious supper was served, after which games were played and the presents "showered" upon the honor guests.
