ns of how Near He was ory--- He Ignores the Millions of

large number of personal and pocal friends of Blaine seneraded him at Augusta, Me., on Tuesday evening as an expression of personal good will and admiration of his conduct of the national campaign. They marched through the streets under the marshalthip of Col Frank Nye. When they reached Blaine's house their compliments and friendly regards were expressed in a speech by Herbert M. Heath, of the Kennebec bar. Blaine responded as follows, his

peech being continually interrupted

by applause.
Friends and neighbors, the national of margins we have lost. I thank you for your call, which, if not one of joyous congratulations, is one I am sure of confidence and of sanguine hope for the future. I thand you for the public opportunity you give me to express my sense of obligation not only to you but to all the Republicans of Maine. They responded to my nomination with genuine enthusiasm, ratified it by a superb vote. I count it as one of the honors and gratificawhom I have fued for thirty years and to whom I am attached by all the ties stamped it upon the Saxon churl that ennoble human nature and give joy and dignity to life.

that grand old commonwealth, an affection which I inherited from my ancestry and which I shall transmit to my children.

But I do not limit my thanks to the State of my residence and the State of my birth. the safegaurd and protection of their ment. own fireside interests.

were the decisive element which gave of modern times. to that section the control of the Na tional Government.

Speaking now, not at all as a defeated candidate, but as a loyal and devoted American, I think the transfer of the political power of the Government to the South is a great national misfortune. It is a misfortune, because it introduces an element which cannot insure harmony and prosperity to the people, because it introduces into the Republic the rule of the minority. The first instinct of an American is equality-equality of right, equality of privilege, equality of political power, that equality which says to every cit-
