These mills complaining and con...

SENSIBLE SCHOOL RULES
HOW TO KEEP WELL.
The following rules have been adopt...

...Trustees and patrons of other places...
...may if they choose put them in prac...

...copyrighted or patented:
...Don't put your fingers in your...

...Don't wet your finger in your...

...Don't wet pencils with your mouth.
...Don't hold money in your mouth.
...Don't put anything in your mouth...
...but food and drink.

The People does not propose to...
...speculate in political futures so far as...
...relating to the race for the Govern...
...orship of this State next year. But as...
...many of our newspaper brethren and...
...their disciples are searching for a...
...candidate to oppose Governor Blease...
...we respectfully suggest that the logic...
...of conditions points to Lieutenant Gov...
...ernor Charles A. Smith as the proper...
...man to measure voice and vote with...
...the favorite son of Newberry.
Last year Governor Blease after sev...
...eral races won out on a local option...
...platform and has governed himself ac...
...cordingly. In the same heat, his first...
...speed trial, Lt. Gov. Smith arrived...
...ahead of the local option vote.
A Smith vs. Blease race next year...
...would settle the question of prohibi...
...tion or local option, and the quieting...
...of that issue is of more moment than...
...the success of any political word pug...
...ilist. Let us have peace.

TEN COMMANDMENTS
UPON WHICH HANG THE LAW AND THE...
...PROFITS OF THE BUSINESS WORLD.
(Tit-Bits.)
1. Thou shalt not wait for some...
...thing to turn up, but thou shalt pull...
...off thy coat and go to work that thou...
...mayst prosper in thy affairs, and make...
...the word "failure" spell "success."
2. Thou shalt not be content to go...
...about thy business looking like a loaf...
...er, for thou shalt know that any...
...casual opportunity is better than a...
...letter of recommendation.
3. Thou shalt not try to make ex...
...cuses, or shalt thou say to those who...
...shalt thee, "I didn't think."
4. Thou shalt not wait to be told...
...what thou shalt do, nor in what man...
...ner thou shalt do it, for thus may thy...
...days be long in the job which fortune...
...hath given thee.
5. Thou shalt not fail to maintain...
...thine own integrity, nor shalt thou be...
...guilty of anything that will lessen thy...
...good respect for thyself.
6. Thou shalt not covet the other...
...fellow's job, nor his salary, nor the...
...position that he hath gained by his...
...own hard labor.
7. Thou shalt not fail to live within...
...thy income, nor shalt thou contract...
...any debts when thou canst not see thy...
...way clear to pay them.
8. Thou shalt not be afraid to blow...
...thine own horn, for he who falset to...
...blow his own horn at the proper occa...
...sion findest nobody standing ready to...
...blow it for him.
9. Thou shalt not hesitate to say...
..."No" when thou meanest "No," nor...
...shalt thou fail to remember that there...
...are times when it is unsafe to bind thy...
...self by a hasty judgment.
10. Thou shalt give every man a...
...square deal. This is the just and great...
...commandment, and there is no other...
...like unto it. Upon this commandment...
...hang all the law and profits of the...
...business world.
