NEWS OF BLACKVILLE.

Mr. Chas. Malony Elected President of Railroad Company.

Blackville, Feb. 12.—The many friends of Mr. Chas. Malony, formerly of Blackville, but now of Savannah, Ga., will be pleased to learn of his promotion from assistant to the vice-president and general manager of the Central of Georgia Railway to the presidency of the Wrightsville and Tennille Railroad. At a special meeting of the board of directors held at Tennille, Ga., on Feb. 1st, Mr. Malony was elected president, vice Mr. Henry D. Pollard, who resigned to accept service with another company.

Mr. Malony is the son of Mrs. Sallie Malony, of Blackville, and this community, together with Barnwell County and South Carolina at large, feels much pride in his great accomplishments. He first saw railroad service at Blackville, his boyhood home, in the capacity of telegraph operator for the Southern Railway, later becoming associated with the Central of Georgia at Savannah, where he has worked himself up from the bottom of the ladder and his promotion can easily be attributed to long, faithful service and meritorious work. The people of Blackville tender their heartiest congratulations, and expressions of gratification are heard on every hand.

"Mr. and Mrs. George Wagner Gyles of Blackville, S. C., are the guests of Mrs. Gyles' parents, Mr. and Mrs. Joe G. Durrance, of Wauchula, Florida. Mr. Durrance is President of the People's Exchange Bank of Wauchula and one of the biggest citrus growers and cattle raisers in the 'land of flowers.' Mr. Gyles is an attorney and merchant of Blackville. He married Miss Durrance a year ago and as the young couple spent a part of their honeymoon here at the Reef House they are pleasantly remembered by many friends. Leaving Wauchula they will spend a few days at Grande to fish for tarpon and then contemplate a trip to Cuba before returning to South Carolina."
