BARNWELL, SOUTH CAROLINA, THURSDAY, NOVEMBER 20, 1924

NUMBER 12.

DEMOCRATS OF COUNTY

WERE THIRTY-FOUR TO ONE FOR DAVIS-BRYAN

In the recent Presidential election, South Carolina led all other States in giving the Democratic national ticket 17 votes to every vote cast for Republicans or the Progressives. Barnwell County, however, is twice as strong as the State in its adherence to Democratic principles, the ratio in this county being 34 to 1, and until evidence is shown to the contrary, The People claims that old Barnwell is the most rock-ribbed stronghold of Democracy in the entire country. The vote was as follows:
Davis, 847; Coolidge, 23; LaFollette, 2.
The State ticket polled 841 votes.
A majority was cast against nearly all of the proposed Constitutional amendments, the exceptions being as follows:
For 4-year term for Governor: 209 for, 151 against.
For changing date of fiscal year: 213 for, 148 against.
Relating to extra sessions of the General Assembly: 192 for, 139 against.
For biennial sessions of the General Assembly: 193 for, 157 against.
The voters of the county spoke in unmistakable terms against the proposed \$10,000,000 bond issue, the vote being 81 for and 458 against.

To the strains of Mendelssohn's wedding march a miniature bridal party entered and stood before a beautiful altar of yellow and white. First came the minister, Calhoun Epps, and then flower girl, Maqon Buist, strewing daisy chrysanthemums. The bride, Mildred Buist, and the bridegroom, Wilfred Epps, took their places and the minister announced the approaching marriage of Miss Juanita Matthews to Newton D. Heckle, December 31. A salad course was served. Those assisting Mrs. Epps in serving were Misses Blanche Matthews, Margaret O'Gorman, Louise Walker, Sarah Matthews.

The People for Only \$1.00 a Year!

The publisher of The Barnwell People has decided to make a 33-1-3 per cent. reduction in the subscription price of this paper, this offer to hold good until January 1st, 1925, after which we will return to our regular price of \$1.50 a year. This special offer applies to old and new subscribers alike. If you are not already a subscriber to this paper, simply send us \$1.00 and your name will be entered on our subscription list for one year. If you are already a subscriber, all that is necessary to take advantage of this exceptional opportunity is to settle up your arrearage, if any, at our regular rate of \$1.50 a year and we will send you The People for the next 12 months for only \$1.00. Not more than two years in advance will be accepted at this special price.
Look at the label on your paper. If the date reads Oct. 23, you owe us for one year and two months at the rate of \$1.50 a year, which is 12 1/2 cents a month, making a total of \$1.75. Thus in order to take advantage of our special offer, you would only have to send us check or money order for \$2.75, which would pay your old account and for one year in advance. In other words, just figure out the number of months you are in arrears, multiply by 12 1/2 cents, add one dollar for another year and we will do the rest.
Think of it, friends! One of the newest weeklies in the State for only \$1.00 a year! Where else can you spend a dollar to better advantage? This figures out less than two cents a copy. You pay more for a postage stamp.
The People is a REAL county newspaper. It publishes local, county, State and national news while it is news. It is recognized as the OFFICIAL NEWSPAPER OF BARNWELL COUNTY—that is, certain county advertising appears exclusively in this paper.
We could offer premiums as special inducements or we could pay solicitors a commission on subscriptions, but we have decided to give subscribers themselves the benefit. This is just like finding 50¢ or \$1.00, depending on whether you subscribe for one or two years.
Remember, this special offer holds good only until January 1, 1925. After that date the rate will again be \$1.50 a year. Our object in making this special offer is to get our subscription list on a paid in advance basis.
Can you afford to pass up this opportunity? We think not.

GINNING REPORT SHOWS THIS COUNTY AHEAD OF LAST YEAR'S GINNINGS

According to a recent report of the Department of Commerce more cotton had been ginned in Barnwell County prior to November 8th than to the same date last year. This would indicate that the county will make practically as much cotton as in 1923, when the total production was about 19,000 bales. The report shows that 17,913 bales had been ginned prior to November 8th, as compared with 17,699 bales to the same date last year. This is an increase of 214 bales. As stated a short time ago, the fact that Barnwell County's production this year compares so favorably with that of 1923 is due to the increase of acreage, as the yield per acre was greatly cut by the rains and boll weevil damage. Ginnings for other counties in this section were as follows:

	1924	1923
Aiken	22,818	23,283
Allendale	10,355	10,066
Bamberg	10,313	12,141
Hampton	7,529	5,088
The State	52,414	626,771

Injured in Auto Wreck.

Allendale, Nov. 13.—At an early hour Wednesday morning, Auditor Jones, of Hampton received serious and possibly fatal injuries, when the automobile in which he was riding with Aiken Rush, also of Hampton, turned over three times, on the Allendale county road at Fairfax. The accident occurred at about 3 a. m. It appears that the two men, instead of making the turn in the road, it being too dark to distinguish the road clearly, drove into the ditch. As they were going at a fairly high rate of speed, the car was not in perfect control and turned over three times, finally righting itself, pinning Jones beneath it. It was necessary to lift the car in order to extricate the mangled form of the injured man, who was unconscious.
Dr. Tuten of Fairfax was called to dress the man's injuries and both were taken to their homes in Hampton later in the morning. Rush was considerably bruised and somewhat cut, but it is not thought that his injuries are serious. He received severe bruises on the neck. Jones was badly cut about the head and suffered an injury to his back, the consequences of which are not yet determined.
The car was completely wrecked and it was necessary to call a wrecking crew to remove it.

BARNWELL HIGH SCHOOL DEFEATED WILLISTON'S STRONG ELEVEN, 12-0

The Barnwell High School's undefeated football team took the strong Williston aggregation into camp Friday afternoon in a stubbornly contested battle on the latter's field, 12 to 0, thus adding another coveted scalp to their belt. In the words of a local fan, it was one of the most satisfactory games he had ever witnessed.
Although outweighed an average of several pounds to the man, the Barnwell eleven outplayed their heavier opponents in every department of the game, displaying a spirit that would not be denied victory. Williston received the kick-off and made a first down. Barnwell then held them for downs and the ball went over. This was followed by a triumphal march to the Williston goal in the first few minutes of play. Neither team was able to score in the second and third quarters, but the fatal fourth put an end to whatever hopes Williston may have had of victory. This period witnessed a repetition of that same triumphal march down the field, resulting in another touchdown.
While Barnwell gained consistently through the line and with end runs, it is said that Williston made not more than three downs, one being by the aerial route, and with the exception of their first down were scarcely able to make a dent in the Barnwell line.
The people of Barnwell, as well as the local team, appreciate the moral support given them by a large crowd of fans from Blackville, who helped cheer them to victory. In view of the fact that these two teams will battle at Barnwell next Wednesday for the championship of the AA-BB league, this spirit was greatly appreciated, and The People wishes that it were possible for both teams to win.

Bishop Guerry to Preach Here.

The Rt. Rev. Wm. A. Gurrey, D. C., will visit and preach at the Church of the Holy Apostles at Barnwell next Sunday, Nov. 23rd, at 11:15 a. m. He will also visit and preach at St. Alban's, in Blackville, at 8 p. m. The public is cordially invited to attend either or both of these services.

It is located on one of the principal business streets of Blackville, just one block from Railroad Avenue.

Spann-Price.

Sumter, Nov. 16.—A simple, but beautiful autumn wedding was that of Miss Blanche Richburg Spann and Perry A. Price of Barnwell. The event was solemnized at the home of the bride's parents, Mr. and Mrs. Henry Spann, on Park avenue, Tuesday at 6 o'clock in the presence of relatives and a few close friends.

The Living Room where the Ceremony was Performed was in Green and White.

The improvised altar, before which the wedding party stood, was formed of ferns, palms and Southern smilax extending to the ceiling, the green background being studded with candelabra holding lighted tapers. On either side of the altar were pedestal baskets filled with white chrysanthemums and ferns. Preceding the ceremony, Miss Martha Bruce, of St. Matthews, violinist, accompanied by Miss-Marguerite McLeod at the piano, rendered two selections. Miss Harriet Lucius of Elliott sang "Because" and "At Dawning."
The bridal party entered the living room through the two archways, Miss McLeod played the wedding March from Lohengrin. Miss Jean Benton, niece of the bride, in jade green silk crepe over silver cloth, and William Benton, nephew, were candle bearers and entered first and lit the candles. Miss Rosalie Spann, sister of the bride, was maid of honor. She wore blue georgette with cream lace trimmings and carried yellow chrysanthemums. The flower girls were little Elizabeth Yeaden and Louise Spann. The bride was given in marriage by her father, Henry Spann. They were met at the altar by the bridegroom and his best man, Owen Riley, of Columbia. While "To a Wild Rose" was played softly the ring ceremony was performed by the Rev. John M. Wells,

GRUBBS LEADS IN 1ST PRIMARY ELECTION; TO RUN OVER WITH BUIST

W. S. Grubbs and C. S. Buist will run a second race for the office of Magistrate at Blackville, unofficial returns from Tuesday's primary election being as follows: Buist, 146; Grubbs, 150; Hair, 36; Halford, 36. Although there was keen interest in the outcome of the race, the vote was smaller than that polled in the first and second primaries of the past summer. Complete but unofficial returns from the three precincts in Blackville township give the following results:

	Buist	Grubbs	Hair	Halford
Blackville	135	115	23	29
Double Pond	5	30	1	3
Healing Springs	6	5	12	4
Total	146	150	36	36

The second primary will be held on December 2nd.

The Annual Harvest Meeting.

The Annual Harvest meeting held in November of each year by the Woman's Missionary Society of the Methodist Church, was of unusual attractiveness both in a social and financial way this year. The meeting was held on Tuesday of last week at the home of Mrs. J. O. Paterson which was beautifully decorated for the occasion. There were about fifty members and visitors present. A very attractive musical program was rendered in which Mrs. J. O. Paterson, Mrs. W. J. Lemon, Miss Harriett Lucius, Miss Carrie Holman and others took part. Mrs. Wm. E. McNab read a humorous selection from "Aunt Jane of Kentucky" which was greatly enjoyed. Mrs. Spencer, of Farmville, Va., a guest of her sister, Mrs. McNab, then passed on to our members in well chosen remarks, plans which had been used by their Society and found so helpful and inspirational to them. These remarks were enjoyed by all. Miss Johnnie Atkinson told of the need for this pledge money given each year and the way it is being used to further the mission work in general. A collection was taken in which one hundred and fifteen dollars was realized. "Blest Be the Tie That Binds" was sung. Delightful refreshments were served and the meeting adjourned.—Contributed.

Howard Cady made a most generous offer to the congregation, agreeing to pay half the cost of an organ if the members would raise the other half. A canvass has been made and sufficient money has been pledged to insure the purchase of the organ, an order for which will be placed in the very near future. Mr. Cady's gift is a memorial to his brother, who died last Summer.
