BARNWELL COUNTY COUNCIL OF FARM WOMEN MET HERE

VISITORS ARE WELCOMED BY
MRS. G. M. GREENE.

Miss Eva Mae Broughton Elected
President to Succeed Mrs. John
Keel, Resigned.

The Barnwell County Council of
Farm Women met in the Court House
Rest Room, Saturday, May 16th.

The invocation was offered by Dr.
W. M. Jones. Mrs. G. M. Greene
spoke a few words of welcome from
"dear old Barnwell and her heart."
The response was made by Mrs. John
Keel, the president of the Council.
Then Miss Willie Mae Vann, the effi-
cient Home Demonstration Agent,
was welcomed and asked to speak.
She expressed herself as being deli-
ghted with Barnwell County, and
feels encouraged by the progress and
co-operation shown during her short
stay in Barnwell.

Miss Harriett B. Lawton, Assistant
State Leader Home Demonstration
Work, spoke upon the topic, "Artistic
Windows," showing various types of
apertures for all classes of windows.
Lunch was served by two of the
club girls, Misses Pauline and
Victorine Delk, and two of the Barn-
well High School girls, Misses Velma
Diamond and Juanita Hayes, under
the direction of Miss Vann.

"The Duties and Importance of the
County Council" was discussed and
explained clearly by Miss Bessie Har-
per. She asked that the council sub-
scribe its part of the Johnson-Walker
Scholarship Fund. She also empha-
sized the fact that every council
should decide on a definite goal for
the year.

Mrs. John Keel offered her resigna-
tion as president of the council. It
was accepted with regret that ill
health was the cause of her resigna-
tion. Mrs. Keel has made a faithful
worker and her services are appre-
ciated.

A nominating committee was ap-
pointed to select a new president.
The committee recommended Miss
Eva Mae Broughton as president and
Miss Ruth Rateroe as secretary to
fill the position held by Miss Brough-
ton. These officers were unanimous-
ly elected by the council. The new
president urged that the council dues
be paid and a committee be appointed
to decide on the goal for the year's
work. The committee recommended
that "Schools to Be Improved and
Beautified" be taken as the goal.
This recommendation was accepted,
and as there is not a School Improve-
ment Association in any of the
women's club districts, it is hoped
that School Improvement Associa-
tions will be the result of this effort
of the County Council.

Miss Broughton was elected a dele-
gate from the council to go to the
Wintrop Short Course in June.
There being no further business the
council adjourned.

Those present at Saturday's meet-
ing were as follows: Mrs. S. A. Hair,
Mrs. J. R. Carroll, Miss L. M. Wood-
ward, Mrs. P. C. Woodford, Mrs. D.
P. Key, Miss Ruth Rateroe, Mrs. J.

Dunbarton School Closes Next Week

Dunbarton, May 19.—The Dunbar-
ton High School will close this ses-
sion Thursday, May 28th. The school
this year has been the biggest and
the best in its history, and Supt.
King is now taking steps for even
a better showing next session. Ad-
dition to the present building will
begin as soon as school closes so as
to have more room for the eleventh
grade this Fall. There will be seven
teachers next year, and the advan-
tages here will equal those of any
school of this size in the State.

Due to the fact that there will be
no graduates this year, there will be
no commencement exercises. The
only public meeting connected with
the closing will be a public meeting
by the literary society of the high
school. This program will be held
Wednesday night, probably in the
Baptist Church, there being no audi-
torium in the school building. A
good program has been arranged and
the patrons of the school are cordially
invited to attend. At this meeting
all prizes, medals and honors will
be awarded.

Misses Mary and Cleo Cole, of
North Augusta, were the week-end
guests of Mrs. L. X. Owens. Both of
these young ladies are pleasantly re-
membered here, both having taught
in the local school. Mrs. Owens also
had her daughter, Mrs. Maude Cow-
ard and family as visitors this week-
end.

Messrs. G. J. Anderson and T. E.
Killingsworth have recently painted
their homes, adding a great deal to
the looks.

It is understood that the location
of the highway in the town of Dunbar-
ton is still hanging in the air. It was
thought at one time that the matter
was settled, but since the construc-
tion gang on the west of the town
has ceased work at the curve where
it comes into town it seems that it
has not yet been settled. Maybe a
good solution to the whole muddle
would be to build two highways
through town so that everyone might
be satisfied. The highway is wanted,
but no matter how good the road may
be, if the people of Dunbarton can't
get on it they can't use it, and it
seems as if that, is to be the situation
if the problem is not settled one way
or the other.

The officers of the town are to be
congratulated on their prompt work
in the streets after the recent rains.
We have mighty good streets now
and the kind of attention which they
received the past week is the way
to keep them good. Well we might
say "keep it up."

Methodist Service Is Greatly Enjoyed

For several weeks past the pastor
of the Methodist Church has been
featuring his evening services with
special musical programs, and on
last Sunday night one of the most
delightful was rendered. Much local
talent was enjoyed, while a special
treat of the evening was the singing
of Mr. E. T. Bethune, of Augusta,
whose magnificent tenor voice was
heard to perfection in the selection,
"Jesus, Lover of My Soul."

While Mr. Humphries' sermons
are never long, it is possibly for that
very reason, they grip and impress
one more forcibly; and certain it is
that he never fails to open up new
vistas of spiritual and mental thought
to his congregations.

As a fitting conclusion to the ser-
vice Mr. Ralph Smith sang, in his
sweet and sympathetic way, "The
End of a Perfect Day." The pastor
is to be congratulated on the success-
ful way in which he is striving to
benefit and encourage the habit of
regular church attendance among our
people.—Contributed.

Small Blaze at Blackville.

Blackville, May 19.—Much excite-
ment prevailed for a few minutes last
Sunday, when a small blaze was dis-
covered on the roof of Dr. O. D.
Hammond's residence, but he and his
son, Dunbar, extinguished it before
any other aid was needed. The dam-
age was slight.

Mr. J. N. Anderson, the efficient
agent for the Southern Railway at
Barnwell, is taking a well-earned vaca-
tion of three months.

SOY BEANS ARE BEING PLANTED

SEVERAL DEMONSTRATIONS TO
BE HELD THIS YEAR.

May Be Planted as Late as June 1st to
10th.—Will Yield More Hay
Than Peas.

Soy beans as a hay crop as well as a
land builder and grower for seed as a
cash crop are being used more and
more. There will be a number of dem-
onstrations this year with the use of
soy beans grown in this county, fol-
lowing oats for hay, in corn to grow
seed and for the improvement of the
soil.

We will have demonstrations with
W. E. Matthews, E. C. Matthews, W.
B. Johnson, Simon Brown's Sons and
L. Keeler, in the Blackville section; Vic-
tor Lewis, of Kline, and W. L. Molair,
of Barnwell. In addition to these
there will be many others planting.
Ottoman variety will be used for hay,
as well as some Laredos, which are
well resistant. Biloxi will be used in
the corn middles. For hay following
grain, the land is broken, harrowed,
laid off about three feet and planted,
three to four beans being planted
about ten to twelve inches apart. They
are plowed twice to keep weeds and
grass down when they are small.

In corn, one row is planted down the
middle the same distance as above.
Time of planting is up to June 1st to
10th. Soy beans, when properly taken
care of, will yield more hay than peas,
probably twice the amount. Soy bean
seed will cost less per acre to plant
than peas, really about half to two-
thirds as much. Farmers who are in-
terested in planting some soy beans
this year for seed or hay should take
the matter up with me at once so that
I can assist in getting the seed and
getting them properly planted.—H. G.
Boylston, County Agent.
