Cantaloupe Shipments Begin.

Now that the cucumber season is about over, farmers are turning their attention to cantaloupes and watermelons. The first shipments of the former left Barnwell by express last week and shipments of melons will begin in a very short while. The cucumber season was the best from a financial standpoint that this county has enjoyed in several years and the general impression is that cantaloupes and watermelons will both bring good prices also.

By the time the melon season is over, King Cotton will begin to come into his own again, and although the weevil is taking a large toll from the crop in many fields at this time, the farmers are making a determined fight. With favorable seasons, a fair yield will probably be made.

Pains Very Severe

"I suffered from womanly troubles which grew worse and worse as the months went by," says Mrs. L. H. Cantrell, of R. F. D. 9, Gainesville, Georgia.

"I frequently had very severe pains. These were so bad that I was forced to go to bed and stay there. It seemed to me my back would come in two."

CARDUI
For Female Troubles

"I taught school for a while, but my health was so bad I would have to stay out sometimes. This went on till I got so bad I didn't know what to do."

"One day I read about the merits of Cardui, and as I had some friends who had been helped by it, I thought I would try it. I began to get better after I had taken half a bottle. I decided to keep on and give it a thorough trial and I did. I took in all about 12 bottles and now I am perfectly well. I do not suffer any pain and can do all my housework."

SEEMS LIKE A MIRACLE TO CHARLOTTE WOMAN

"I Never In My Life, Saw Anything Like This New Medicine, Karnak," Declares Mrs. Williams.

East, west, north and south, all over North and South Carolina, people by the hundreds are taking the sensational medicine, Karnak, and reporting remarkable results in the way of returned health, strength and energy.

Statements such as that of Mrs. G. W. Williams, of 308 Smith St., Charlotte, N. C., are being heard on all sides every day.

"It just seems like a miracle to me to be feeling so good after all my miserable suffering," says Mrs. Williams. "Why, I was telling some of my neighbors the other day that Karnak had made me feel so fine that I would like to go to an old-fashioned dance and show the young people how to step around again."

"You wouldn't believe it to see me now, but before I started taking Karnak, my back was giving

me, so much trouble that I could hardly bend over and straighten up again without the most excruciating pains. I was in a bad run-down condition and my food didn't seem to give me any strength.

"I would often have weak, fainty spells and my work was just a drag."

"I was fortunate enough about this time to get some of the Karnak that first came to Charlotte, and this grand new medicine gave me instant relief. Why, I began to feel good results after the very first day's treatment, and now I am feeling 20 years younger."

"I can do a hard day's work now without feeling the least bit tired, and I haven't a sign of an ache or a pain."

"I am talking Karnak all the time to my friends, and if anyone wants to know what I think of this new medicine, all they have got to do is ask me."

Karnak is sold in Barnwell exclusively by Mace & Deason; and by the leading druggist in every town.
