We firmly believe that our citizens pecially when their own selfish purare in favor of bonding the town to poses are advanced thereby .- Press build waterworks, and we believe and Standard. if an election was held to-morrow on the question of issuing bonds, that a majority would roll up in favor of bonds. We call upon our city council to order an election. Surely the people should be heard on the subject, and they should be given the privilege of saying whether they wish waterworks or not. Gentlemen of the city council, give us a chance to decide the question.

## Mr. Williams Denies.

STATESBORO, GA., Aug. 1, '99. Editor HERALD, Bamberg, S. C.: Dear Sir :- In a recent issue of your paper, there appeared an account of a court proceeding, instituted by the bar of your town, to disbar Col. G. W. M. Williams from the practice of law. The same was any other way. We've pursued yer furnished the daily press of this State in a dispatch from Bamberg. We took occasion to publish it as a news item, Col. Williams having lived here quite a while. I am just in receipt of a letter from Colonel Williams, denouncing the report as a lie and demanding the proof of way. the charge. My report, of course, was based upon the reports in the daily papers, but for the benefit of Col. Williams's father-in-law, who an' read some tracks. We want to Ledger. has called to see about it, and myself, will you please send me the truth of the matter; also send me a copy of your paper containing the and be civilized, we're gettin' short report referred to. A stamped envelope is enclosed for your reply. Respectfully,

> J. R. MILLER. Editor and Publisher, The Statesboro Star.

FOUNDED IN 1845.

LIMESTONE COLLEGE,

GAFFNEY, S. C.

This institution, famous in the history of education in South Carolina, has recentl

been thoroughly reorganized. and now, with a large and able Faculty, is prepared to

do college work of the very highest grade. Nearly twenty thousand dollars have been

appropriated for improvements. A splendid new building is being erected, which will

contain a large Auditorium, a Library, a Reading-Room, a Museum of Natural Science a beautiful hall for the Literary Society, and some needed offices. The building will

be furnished with new heating apparatus throughout, all the rooms will be supplie

with new furniture, new pianos will be purchased, new physical, chemical, and miner-

logical labratories will be equipped-in short, everything that is necessary in the

work of a first-class woman's college will be provided. The site is unequaled in South

Carolina for beauty and for healthfulness. Limestone College makes its appeal to the

people strictly on its own merits. Literary, Scientific, and Commercial Courses. The regular college degrees are given by the authority of the State of South Carolina. An

especially fine course in Pedagogy is offered to those desiring to become teachers.

There are three departments, the College, the Seminary, and the Primary. Let Lime-

stone's friends and former students tell the news all over the South. The revered Capt.

H. P. Griffith is the Senior Professor. Professor Wade R. Brown, recently of Win-
