GAFFNEY, S. C.

This institution, famous in the history of education in South Carolina, has recently been thoroughly reorganized, and now, with a large and able Faculty, is prepared to latest styles in photography, at lowest to college work of the very highest grade. Nearly twenty thousand dollars have been appropriated for improvements. A splendid new building is being erected, which will contain a large Auditorium, a Library, a Reading-Room, a Museum of Natural Science beautiful hall for the Literary Society, and some needed offices. The building will be furnished with new heating apparatus throughout, all the rooms will be supplied with new furniture, new pianos will be purchased, new physical, chemical, and mineralogical labratories will be eqsipped-in short, everything that is necessary in the work of a first-class woman's college will be provided. The site is unequaled in South Carolina for beauty and for healthfulness. Limestone College makes its appeal to the people strictly on its own merits. Literary, Scientific, and Commercial Courses. The regular college degrees are given by the authority of the State of South Carolina. An especially fine course in Pedagogy is offered to those desiring to become teachers.

Prices reduced nearly 25 per cent, for next year. Modern appointments, com-There are three departments, the College, the Seminary, and the Primary. Let Line forts and equipments. New infirmary.
