Larry Gantt is now paying his respects to Stanyarne Wilson through the columns of the Spartanburg Free Lance. He says Wilson speaks with the Democrats in congress and then votes with the Republicans. Larry wants to defeat Wilson for re-election, and the prospects are that back to congress. They used to be as thick as peas in a pod.

We wish it distinctly understood that THE BAMBERG HERALD is not any combination or clique for the election or defeat of any candidate for a county office. We have something else to do, and it's no money in our pocket to elect fellows to office. The rumor has been going around, and we wish to serve notice on all concerned that this paper is not carrying any candidate, and will not do so.

The United States authorities have put themselves in a pretty bad predicament by their action in the custom house whiskey-matter in Charleston. The proof seems conclusive that the collector and his assistants knew that the custom house was being used as a storage warehouse for "blind tiger" liquor, and no doubt they were well paid by the illicit dealers. Admiral Dewey has announced himsel as a candidate for president of the United States, and the newspapers all over the country are poking fun at him, about all of them receiving the announcement of his candidacy as a huge joke. He says he is a Democrat, but no matter what his political affiliations are, this is not his year to run. Some months' ago we belive the whole country would have stampeded to his support, but now the idea of of his running is utter folly.

There was a pleasant social gathering of young people at the home of Mr. I. W. Carter last Saturday evening.

The past week has reminded us of spring, and the farmers are taking advantage of it, too; some have almost finished planting cotton.

Mr. T. D. Jones has purchased a bushel of the Sims cotton seed, and will experiment with it in the school house field. You remember that this is the cotton that Mrs. Sims sold for 14 cents, so the cotton makers around here will evidently watch Mr. Jones's field with interest. We were glad to see Mr. J. C. Breeland

you should be low-spirited and de-jected. Worn-out by the care, the worry and the long suffering from weaknesses that have baffled the best weaknesses that have baffled the best efforts of your family doctor, it is no wonder you have become discouraged, and think there is nothing left for you but suffering and misery. Do not give up all hope, do not lose all courage. Remember Dr. Miles' Nervine has helped thousands of despondent women to regain their lost health and failing strength. It quiets the irritated nerves, rests the weary brain and drives worry and care away. It gives drives worry and care away. It gives zest to the failing appetite, invigorates the digestion and adds new strength and vigor to the whole system. Don't forget the name.

Nervine. rheumatism, heart trouble and dropsy. When I commenced taking Dr. Miles' Nervine last December I was thought to be in the last stages of nervous prostration and was scarcely able to move about the house. I began to improve almost from the first dose, and in a few months I was enjoying better health than I had before in fifteen years. I am now able to walk ten or a dozen blocks without feeling in the least fa-tigued, and I bless the day I first heard of Dr. Miles' Nervine."
