## IMPORTED AND DOMESTIC PATTERN HATS

We will show you all that is new and stylish in millinery, consisting of shapes, flowers, feathers trimmings of all kinds. Miss Rutledge is beginning her TENTH SEASON with us. She is here to please her friends, and our friends and customers as she has done for the past NINE SEASONS, which has been proven to us by the continual growth of our MILLINERY DEPARTMENT, and her ability to continue to please. Miss Rutledge has with her as assistant Miss Ettie Kearse, who is well known to the millinery trade, as she has been with us many seasons. We invite you to come and make yourself at home with us. This has been a season that millinery has been advancing in price from the start, but we were fortunate in having Miss Rutledge in the markets at the beginning and she remained there for more than a month, in order to get the very newest for the least possible money. We intend to give our customers the benefit of our early purchases. She bought the New Stylish Goods as they were placed upon the market, and they are here for your inspection.—Come, bring your friends, and their friends with you—make yourself at home at Hooton's.

IN ADDITION TO OUR SHOWING OF MILLINERY YOU ARE CORDIALLY INVITED TO ATTEND

## Our Fall Showing of Ladies Goods, Suits, Cloaks, Waists, Silks, Corsets, Trimmings and Small Wares

In our showing of Suits you will find a complete array of fabrics and styles for Ladies and Girls, in sizes 16 to 44. A look will convince you that Hooton's is really a ladies store, and if you like style and quality, it's the place to do your shopping. This is going to be a great CLOAK season, and we prepared for it long before the extreme advances, so we invite you to inspect the line; it is much larger and more complete in every respect than ever before.

Our Dress Goods, Silks, and all kinds of piece goods are here for you in all qualities and prices, and a larger assortment than we have previously shown. A look will convince you of this, as well as the fact that the prices are more reasonable than you expected, for they were bought early. We think of your fall wants when you are in the mountains enjoying the breezes.

We have added the line of HOFLIN MIDDYS to our line of READY TO WEAR. There is nothing better or more serviceable for the girls and young ladies, come and get yours.

Our line of Corsets, Hosiery, Waists and GLOVES you will find complete in every respect. We have made every effort to have just what you want at the price you want to pay, and we believe we have succeeded. We invite you to come; make Hooton's Store your Store.

Nothings Sent Out On Approval For Sanitary and Other Reasons, We Fit You Here. Yours for Business and Promptness.

## THIELEN THEATRE

Thursday, September 13th

Robert W. Chambers has never written a more wonderful story than this brilliant novel of New York life. It's heroine, Valerie West, Artist model and philosopher, is one of the most sympathetic figures in modern literature. As portrayed by Miss Clara Kimball Young, she becomes a living personification of sweet and noble Womanhood. Her joys and sorrows, her trials and ultimate triumph in love of Kelly Neville, artist and gentleman, have given the screen one of the few really great photodramas ever produced.
