wash soap of the world. Without any rubbing or scrubbing it cleans everything from overalls to shirtwaists. It's the fastest working, best working wash soap you ever saw. See it work—and it's your friend for life!

Here's how it works!

Soak the clothes overnight. Cut up 1/2 bar of Clean Easy in 4 1/2 gallons of water and let it dissolve. Boil and put clothes in and stir for ten minutes. Rinse, blue and dry. You'll have the finest batch of clean clothes you ever saw; done in the shortest time, in the easiest way and for the least expense.

Besides, Clean Easy can't hurt the clothes. It doesn't wear them out like a wash board does. Its whole action is on dirt, grime and germs. And it does the work in any kind of water, any old time and in double quick time!

TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks. He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture. I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught."

Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it!
