MARCH OF MINERS - WHITES MAKE BROUGHT TO HALT

Charleston, W. Va., Aug. 27.—The United Mine Workers leader, Keeney,

United Mine Workers leader, Keeney, and the vanguard of marching miners turned back from their march to Mingo coal fields yesterday and arrived early this morning.

Madison, W. Va., Aug. 26 (By the Associated Press).—The march of miners from Marmet to Mingo, in protest against martial law, came to an end late today when President C. F. Keeney of Dirstrict 17, United Min Workers of America, induced Min Workers of America, induced Min Workers of America, induced their homes, Keeney said that special trains would be provided for the state of South Carolina, as recently announced by the bureau of the census, department of commerce, is 48.6 per cent white and 51.4 per cent negro. In 1910 the percentage negro was 55.2.

The negro population, which was 835,843 in 1910, increased to 864,719 in 1920, an increase of 3.5 per cent.

The white population of the state consists almost entirely of native American parents, the total native white of native parentage being 799,-

holtz had insisted that the march end at once and explained the possible course of the federal government if the men persisted in their determination to pass through Logan and into Mingo county.

Two of three of the miners, who were said to be leaders among the men, also addressed the meeting. The more conservative of these speakers urged the men to take such advice as Mr. Keeney had to offer.

Mr. Keeney promotly told them to go back home. That broke up the menting and some of the

LLOYD GEORGE SENDS REPLY

London, Aug. 26 (By the Associated Press).—David Lloyd George, the British prime minister, today sent a prompt rejoinder to the letter of Eamonn de Valera, president of the Irish republic, which rejected the British government's' terms for peace in Ireland.

The premier's note constituted firm reiteration of the government's former standpoint, that Ireland could not be permitted to withdraw from the empire. He said he thought andy Wells died two days after he he had made it clear in conversations and previous communications that the government "can discuss no that the government "can discuss no settlement which involves a refusal on the part of Ireland to accept a
