

MAY VOTE TODAY ON BONUS BILL

Washington, Aug. 31.—The final vote on the soldier bonus bill before the adjournment of the senate today appeared to be reasonably certain.

Washington, Aug. 30.—All pending amendments to the soldiers' bonus bill were disposed of today by the senate, but whether a final vote would be reached tomorrow depended upon the number and length of speeches.

With favorable action assured, the paramount question in the minds of friends and foes alike was the reception the measure would receive at the White House.

Again today the possibilities of a veto ran through senate debate. Senator McCumber (Republican) of North Dakota, in charge of the measure, contended that as reported the proposed legislation met the objections heretofore expressed publicly by the president.

Senator Borah (Republican) of Idaho, an opponent of the bonus, disagreed with Mr. McCumber, contending the bill "ran directly counter" to some of the executive's objections and failed to meet others.

Leading opponents of the bill urged throughout the debate that the senate refrain from "loading down" the measure with additional amendments which might furnish further ground for a veto.

Senator Smoot presented and argued at length in favor of his plan to give each veteran a 20 year pay life insurance policy, but this was rejected, 46 to 18.

As they will on the final vote, party lines disappeared on the roll calls today. The Bureau amendment was supported by 16 Republicans and 11 Democrats and was opposed by 31 Republicans and 13 Democrats.

Textile Strike Thing of Past Lawrence, Mass., Aug. 31.—The Lawrence textile strike today became a thing of the past, the two remaining mills who held for lower wages, Methuen and Pemberton, capitulated and announced that September 5th the scale in effect before March 27 would be restored.

COAL NOT USED IN MANY MILLS

Charlotte, N. C., Aug. 30.—While the possibility of an enforced shut-down of many textile mills in the Carolinas within the next two or three weeks looms larger daily, most of the mills in the Piedmont sections of the two states operate exclusively on hydro-electric power and therefore are not menaced by the growing scarcity of fuel, according to men familiar with the situation.

Many of the mills operated by hydro-electric power use some coal, but comparatively little, it is pointed out. Of this class is the Chadwick-Hoskins company's large chain of mills. E. C. Dwell, secretary of this company, said tonight that their plants have enough coal on hand to last only two or three weeks.

It was said by the officials that very nearly no coal is being received by any mills in this section, and unless the situation is relieved somewhat in a week or two curtailment of operation on the part of many mills will be necessary.

It was pointed out that of the 1,000 or more textile plants of all kinds in the two Carolinas, 343, mostly in the Piedmont sections, use hydro-electric power exclusively, while 295 use steam power only and 262 use both electric and steam power, according to the latest available statistics.

Deadlocked Financial Policy Wrecks Ministry Tokio, Aug. 29.—In the solution of the deadlocked financial policy of the old ministry the "Oriental Economist" finds the only raison d'être of the Kato cabinet.

These are policies, however, that require every resolution and courage for execution, thinks the journal, "because with such a personage as Baron Kato who seems to have never had any opportunity of studying finance and economy, as the head, the new ministry is unlikely to succeed where its predecessor has failed."

NEGRO MUST WEAR MEN'S CLOTHING

Richard Watson, negro female impersonator, made his second appearance before the recorder yesterday morning and the judge decreed that he should wear men's clothing and do light work around the city prison for 80 days or pay a fine of \$100 on a charge of disorderly conduct.

Watson was arrested last Friday night on the 1200 block of Blanding street by city detectives and when hands were laid on him he shouted in a feminine tone, "You frightened me." The expression failed to alarm the officers and the negro was sent to jail.

STUBBORN FIGHT FOR DUPRE'S LIFE

With two failures behind them, attorneys for Frank B. DuPre undertook Wednesday a third step to stay the execution of the condemned youth by appealing to the state supreme court to force Judge John D. Humphries to sign the bill of exceptions which he denied Wednesday morning.

The petition for mandamus was to be directly to Chief Justice W. H. Fish. The supreme court was in session Wednesday. If a rule nisi is issued citing Judge Humphries to show cause why the mandamus should not be issued, a hearing will be held by the court as a whole, it was said.

SECOND RACE FOR GOVERNOR

Columbia, S. C., Aug. 31.—Approximately 50,000 enrolled voters in the state failed to vote in Tuesday's primary, apparently awaiting the second primary Sept. 12th, when former Gov. Blaise and Thomas McLeod contest for the gubernatorial nomination.

Continued tabulation yesterday of returns from Tuesday's Democratic primary in South Carolina brought no material changes from the results as announced yesterday morning.

On the face of incomplete returns, E. B. Jackson of Wagener has apparently been nominated lieutenant governor, he having a majority of 2,450 over both his opponents.

Another race in which a second vote may be required for a decision is that for the office of state treasurer.

W. Turner Logan was renominated from the First district for congress, as was Fred H. Dominick in the Third and H. P. Fulmer in the Seventh.
