SENATORS CONTINUE FIRE ON TIGER

Washington, Nov. 27.—The Tiger of Franco again came under fire in the senate today when his utterance on his tour of the United States were the subject of a conflicting debate which was enlivened by an interruption from the galleries by a negro soldier.

Senator Hitchcock (Democrat) of Nebraska, former chairman of the foreign relations committee, led off in the debate with an attack on M. Clemenceau and of French policies and was joined in the criticism by other senators, while Senator Myers (Democrat) of Montana came to the defense of the aged French statesman. Senator Owen (Democrat) of Oklahoma also expressed sympathy with M. Clemenceau's mission to America but criticized French policies.

It was during Mr. Hitchcock's attack upon the war time premier in connection with alleged atrocities with black French colonialists in Germany that the negro soldier, who later gave his name as Lucius Jones, a patient at a government hospital near here, rose in the gallery and sought to question the senator. Vice President Coolidge banked the gavel and senate attendants rushed forward and restrained the man, so that the question was never asked, but excitement prevailed in the senate.

The negro soon left the galleries, but returned for the rest of the debate while Senator Heflin (Democrat) of Alabama, incensed at what he termed was an "insult" to the senate, demanded the man's expulsion. There had been discrimination, the Alabama senator shouted, declaring that in the past white women had been ejected from the galleries of both the senate and house for interrupting debate, while this time the disturber was permitted to remain.

Senators Curtis (Republican) of Kansas and Hitchcock, however, expressed the belief that the negro had acted through ignorance, and no action was taken in the case.

Senator Hitchcock especially criticized the statements of M. Clemenceau, who he said had been disapproved. He also attacked the French reparations demands on Germany.

Senator Myers in defending M. Clemenceau deplored Senator Hitchcock's criticism of the French statesman and commended French policies toward Germany. Senator Owen, although criticizing French policies, expressed sympathy with M. Clemenceau's mission, saying the visitor was "making a pathetic appeal to America."

He declared, however, that Clemenceau was largely responsible through the Versailles treaty for present European difficulties and predicted that the American people would not cooperate with France while she continued her present policies.

CARLOS CORBITT GOES TO PRISON

Orangeburg, Nov. 27.—It was announced today that Carlos Corbitt, convicted for killing Hugh Fanning, would go to the state penitentiary to begin serving 18 years in prison.

Corbitt has fought for his liberty in several sessions here and in court once passing on his appeal.

Announcement was made today that Sheriff R. Fulton Duff would take Corbitt to the penitentiary in March 1923. Corbitt, in a March 1922, became involved in an altercation with Julian Cooper, Hugh Jones and Jonas Salley. The three were killed and Jonas Salley was injured. Corbitt contended that he was intoxicated and that he had built a fire close to outbuildings and endangered them. Returns were made by the state that he was intoxicated and that he had built a fire close to outbuildings and endangered them. Returns were made by the state that he was intoxicated and that he had built a fire close to outbuildings and endangered them.

The state contended that Corbitt became enraged about the killing of Fanning and that he had killed the men without cause.

Feeling ran high for Corbitt in this section. Corbitt was tried in September, 1920, for the killing of Bryan Salley and was acquitted. In January, 1921, he was tried for the killing of Hugh Fanning but the three deaths resulted from the same act and that Corbitt should not be tried again after he was acquitted in one case. Judge Shreve held the demurrer but the supreme court held that the deaths were separate acts and remanded Corbitt for further trial.

Last May he was tried for killing Fanning and was acquitted.

Six Persons Hurt When Cars Crash

Lancaster, Nov. 27.—Dr. M. B. Humphries, prominent Lancaster druggist, was seriously injured; Miss Frances Anderson of Jonesville suffered a broken leg and knee cap; E. Malley Ferguson of Lancaster was more or less seriously hurt, while J. W. McCaskill of Lancaster and two others were victims of cuts and bruises in a head-on motor accident on the Charlotte-Lancaster road about one mile from Lancaster, Sunday afternoon at 4 o'clock.

Dr. Humphries was carried on the train to Rock Hill for surgical treatment in an unconscious condition and was placed on the operating table immediately on arrival at the hospital. Miss Anderson was rushed by automobile to a hospital in Charlotte for treatment and Mr. Ferguson was taken by train to Rock Hill to the hospital. Both cars in the wreck, a coupe driven by Dr. Humphries, in which Miss Anderson and Mr. Ferguson were passengers, and a roadster driven by Mr. McCaskill, were completely wrecked, the first car turning a complete somersault, falling in an opposite direction to the way it was headed. The accident was caused by a cloud of dust from a passing car which obstructed the view of both drivers. Reports from the hospital are that Dr. Humphries is suffering from a fractured skull and was still unconscious today.

Mr. and Mrs. Holmes Eardin, Miss Maude Hamer of Chester and Dr. and Mrs. J. R. Rogers of Dillon were the guests of Mr. and Mrs. C. E. Murphy yesterday.

BIG COOPERATIVE CONFERENCE SOON

L. D. Jennings of Sumter, A. R. Johnston of St. George and E. Wallace Evans of Bennettsville, will represent the South Carolina Cotton Growers' Cooperative association at the national conference of commodity cooperative associations to be held in Washington, December 14, 15 and 16. All three are members of the board of directors of the South Carolina association.

The conference at Washington has been called for the purpose of forming a national organization of the commodity marketing associations. Judge Robert W. Bingham of Louisville, Ky., representing the tobacco associations, will be chairman of the meeting and Carl Williams of Oklahoma, representing the cotton associations, will be the vice chairman.

Representatives of the 160,000 cotton growers belonging to cooperative marketing associations will attend the conference. Delegates from five big tobacco growers' organizations that handle the sale of some two-thirds of the entire crop will speak for the 200,000 members of those organizations. Representatives from something like 15 state wheat growers' organizations will be in attendance. Dairy producers' organizations from the Atlantic to the Pacific, orange growers from the West to the East, vegetable and melon growers' organizations from every district in the country, the producers of California dried fruits, the cooperative poultrymen and members of numerous other cooperative associations will be represented.

More than \$1,000,000,000 worth of farm products, it is estimated, will be marketed by cooperative associations this year. Among these products are cotton, tobacco, wheat, alfalfa, peanuts, milk, eggs, fruits, maple sugar, raisins, prunes, rice, tomatoes, live stock and many others.

The South Carolina delegates will be able to report tremendous growth of the cooperative marketing idea in this state. The South Carolina Cotton Growers' Cooperative association is making its debut this season in a manner that is said to be very gratifying to its entire membership and to the bankers and business men of the state.

The South Carolina Cotton Growers' Cooperative association was formally organized of approximately 9,000. Over 2,000 members have been added since that time, giving it a membership today of over 11,000. Many of these members have been added since the opening of the cotton season and were secured as a result of very general satisfaction with the operations of the association.

DIAL TO CONTINUE FIGHT ON TOLBERT

Washington, Nov. 27.—The president today nominated Joseph Tolbert to be marshal of the Western district of South Carolina.

Mr. Tolbert was nominated during the last session, but was not even favorably reported by the judiciary committee. When congress adjourned the president gave him a recess appointment. He is now serving. Senator N. B. Dial of South Carolina stated this afternoon that he would renew his fight against confirmation and would put before a subcommittee, to be appointed, all facts bearing on the case.

Asked if he would declare Tolbert personally obnoxious to him in the event the nomination was reported to the floor, Senator Dial declared that he would prefer to make no statement.

It is not though probable that Tolbert will be confirmed, however.

Washington, Nov. 27.—An old controversy between President Harding and members of the senate was renewed today with his renomination of Joseph W. Tolbert, Republican national committeeman for South Carolina, to be United States marshal for the Western South Carolina district. When nominated last summer, Mr. Tolbert was opposed by Senator Dial (Democrat) of South Carolina and also by some Republican senators who prevented action toward confirmation. A recess appointment was given by the president to Mr. Tolbert and today when the renomination was made Senator Dial announced that "a fresh start" in the fight against his confirmation would be made. Senator Dial declared at that time that Mr. Tolbert was unfit for the office and opposed by a great majority of the citizens of his state. He also published charges that Mr. Tolbert had been involved in a criminal case before the state courts.

Greek Ministers Executed

London, Nov. 28 (By the Associated Press).—The British may break off diplomatic relations with Greece if the former cabinet members are executed, so official circles states today. The Central News Agency Dispatch says those who were sentenced to death were former Premier Gounaris, Protapapakis and Stratos, former War Minister Theotakis, M. Balazis and General Hadjanestis. The prisoners were also fined from two hundred thousand to one million drachmas.

London, Nov. 28.—The Exchange Telegraph Dispatch says the Greek ministers have been executed. The British minister will be withdrawn at once.

Athens, Nov. 28 (By the Associated Press).—All except two former cabinet and army officials accused of high treason for the Greek defeat in Asia Minor were given death sentences by court martial. Admiral Goudas and General Stratigos were sentenced to life imprisonment. Former King Constantine was declared exempt.

Plan For Seizure of Part of Ruhr District

Paris, Nov. 28 (By the Associated Press).—Plan for the seizure of part of the Ruhr district in Germany and absolute control of the French sector of the Rhineland was laid before the French cabinet today. Military and civil authorities approved the plan yesterday. The French have lost faith in any interallied solution of the reparations question and is preparing to "pay herself" in Germany. The plan will be effective only if Germany fails to make the reparation payment due on January 15. There is much doubt here whether Brussels reparation conference will ever be held and whether it could settle the question satisfactorily. France believes the complete control of the Rhineland would result in the expulsion of German officials, many of whom, the French think, are Prussians sent with the idea strengthening the resistance to Allied occupation and also obtaining France's full quota of reparation coal and coke.

Still Probing Double Murder

Somerville, N. J., Nov. 28.—Mrs. Frances Stevens Hall, widow of the Rev. Edward Wheeler Hall, who was slain last September with Mrs. Eleanor R. Mills, appeared today at the courthouse, where the grand jury is considering the double murder. Friends had circulated a petition asking that she be allowed to appear before the jury. The attitude of that body is unknown but Special Deputy Attorney General Mott has stated that he will prevent her appearance, if possible. The widow was accompanied by her attorney.

Mrs. Jane Gibson, who claims she saw the murders, arrived at the court house under a guard of troopers.

Mrs. Charles R. Counts will return today from Liberty and Chesnee, where she gave recitals.

LOSES HER LIFE TO SAVE CHILD

In an effort to save the life of her little three year old granddaughter, Dorothy Kelly, who she evidently thought was in danger of being run over by an approaching automobile, Mrs. W. H. Kelly yesterday afternoon ran out in the road after the child at the corner of Laurel street and the Two Notch road and was herself struck and fatally injured by the machine. She was taken to the Baptist hospital but died without having regained consciousness after being struck.

The automobile was driven by Mrs. M. F. Harrison, who was accompanied by Mrs. A. D. Daniels and a child of the latter. They were on the way from Columbia to their homes in Edgewood, and saw little Dorothy Kelly in the road, some distance ahead. When the car drew near to the child, it seems that Mrs. Kelly thought she was in danger of being run over and ran out after her and was struck by the machine. The car was brought to a standstill within a short distance and it was seen that Mrs. Kelly was seriously hurt. An ambulance was summoned and she was carried to the hospital but died within a short time. From accounts of the accident given last evening it seems that the crank handle or the front axle of the car struck Mrs. Kelly and that the machine passed over her. The accident happened near the residence where Mrs. Kelly made her home. Dorothy Kelly is the daughter of B. L. Kelly, a son of Mrs. W. H. Kelly. Mrs. Kelly was 62 years of age.

Coroner Scott was at the hospital last evening soon after Mrs. Kelly had passed away and said the inquest would be held this evening at the court house at 7:30 o'clock.

Mrs. Kelly is survived by the following children: Miss Ethel Kelly, B. L. Kelly, E. C. Kelly, H. D. Kelly, W. L. Kelly, all of Columbia, and J. G. Kelly of Lakeland, Fla.—The State.

Union Wins From Clinton

In a game featured by the great defensive work of Union's line and the punnings of Hal Backs Thomas and Clinton High school 12 to 0.

At no time during the whole game did Clinton threaten Union's goal. It was clearly demonstrated that the visitors did not have a chance when they were enabled to register a first down against the hard charging Union line. Although outwighed they played a hard clean game and held Union on its 9-yard line for down after they had marched 70 yards down the field on straight football in the third quarter.

Union made a total of 18 first downs and made 350 yards from scrimmage, while the visitors gained during the whole game only about 40 yards.

Union's touchdowns came one in the second quarter when Culp broke through and blocked a punt and Parker scooped up the ball and raced 35 yards for a touchdown. The other came in the fourth quarter by the line backs of Thomas and Betenbaugh. This rush was momentarily checked by the Clinton line which held for the two downs on its 2-yard line, but on the third down Betenbaugh smashed through center for four yards and a touchdown. The scrubs then went in and continued the good work. The line-plunging and running of Hames assisted by the interference of "Pike" Gregory and Waggon, was the feature of this part of the game. To pick stars would be impossible as both teams played a "bang up" game.

The last game of the season will be played Thanksgiving day at 10:30 a. m., when the strong Spartan Academy team furnishing opposition. This is not a state association team and consequently will be very strong by having several players who have had much experience. Everyone is urged to come out and watch the great defensive work of Union's line and the open field work of Betenbaugh. These two backs, assisted by their hard charging line, are expected to show flashes of brilliancy not seen before this season in Union, while Kelly and Parker at ends will see to it that no punts are run back for gains. The line up will probably be the same as against Clinton.
