MOTHER GAVE THIS DELICATE CHILD VINOL

And He Got Well and Strong. That's True

Monaca, Pa.—"My little boy, who is the youngest of three, was weak, nervous and tired all the time, so he was most unfit at school, and nothing seemed to help him. I learned of Vinol and gave it to him. It has restored his health and strength and he has gained in weight."—Mrs. Frederick Sommers, Monaca, Pa.

Try it! See! Wholesome Cottolene goes farther. That's because Cottolene is richer. Cottolene is today's common-sense shortening. It puts economy into the good things that you bake with it. Try this cottage pudding, or take one of your favorite recipes. Only be sure you use one-third less of Cottolene than you do of butter or other shortenings.

RECIPE
Peach Cottage Pudding
1/2 cup Cottolene; 1 cup sugar; 1 egg; 1/2 cup milk; 2 cups pastry flour; 4 level teaspoons baking powder; 1/4 teaspoon salt; 1/4 teaspoon almond extract. Sliced preserved or fresh peaches.
Cream Cottolene, add sugar gradually, then egg well-beaten. Sift together flour, baking powder and salt; add to first mixture alternately with milk. Add extract and beat thoroughly. Bake in shallow pan. Cut in squares, pile with sliced peaches and sugar, and serve with hot sauce or cream.
