

YOU COOK YOUR FOOD—WHY NOT YOUR TOBACCO?

YOU know what broiling does to steak, baking to a potato—and toasting to bread.

In each case flavor is brought out by cooking—by "toasting."

So you can imagine how toasting improves the flavor of the Birtley tobacco used in the Lucky Strike Cigarette.

B. LEVY'S

ADAMS RUN

Adams Run, Feb. 9.—Editor The Press and Standard: This beautiful spring like day induces me to send you a few dots from our community.

Since my last writing Cupid has completed his work, and I report the marriage of Miss Eva Perry, eldest daughter of Mrs. E. P. Platt, and Mr. Willie Messervey, which occurred in Charleston, Thursday, Jan. 31, at the residence of Mrs. William White.

Mr. F. Y. Legare and his daughter Miss Gertrude, have moved to Wilmington, N. C., to be with Misses Emily and Claudia, who hold lucrative and responsible positions in the postoffice there.

Mr. Donald Bailey has moved his family here. They are occupying the Ravenel cottage.

Mr. W. T. Sutcliffe has moved his family to Meggett.

Mrs. Sineh and Miss Kathleen are visiting in Darlington.

Mr. Mitchell and Mrs. Palmer attended the county teacher's association in Charleston Saturday.

Miss Agnes Wallace, teacher of the Roxbury school spent the week-end with Mrs. Taliferro Taylor. Dr. and Mrs. Taylor, Miss Dorothy Nell and Taliferro visited the city Wednesday.

Miss Anna Perry is spending the week end in Charleston with her sister, Mrs. W. L. Messervey.

Mr. Andrew Edmundson is home for a few days.

Mr. and Mrs. Wallace Smith have returned from Norfolk, Va. They were called there by the death of the latter's grandmother.

Mr. R. T. King, Jr., postmaster at Georgetown visited his father this week.

Mrs. Henry Barnwell is visiting her daughter, Mrs. Henry Dargan at Florence.

Mr. and Mrs. Fox and family have moved back to Adams Run. Says there is no place like home.

Mrs. William Perry visited friends here recently.

Mrs. E. J. Tumbleston visited Cottrillville yesterday.

Don't think Walterboro has the monopoly of "grippe" and "measles." Others are enjoying (?) both. Hoping you have recovered, I am, MORE ANON."

GIRLS! GIRLS! TRY IT STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick, wavy, strong and beautiful.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse". Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a small bottle of Knowlton's Danderine from any druggist or toilet counter for a few cents.

BOX SUPPER AT PENIEL

There will be a box supper given at Peniel school house on Friday night, Feb. 15th. The proceeds from the supper will be used for the improvement of the school building under the auspices of Misses Morrar and Farrow. Everybody is cordially invited to come and bring boxes.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It flushes into your bile like dynamite cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

Asks for Magazines For the Soldiers

To the Council Women of Lower Carolina:

An urgent request has come from Mr. Isaac Beckman, Beaufort, S. C., asking for magazines, and records for the Sojourner's Club, and two Y. M. C. A. buildings, Beaufort, The Marine Training Station, Paris Island and the boys at Fort Freemont. Mr. Beckman writes that he cannot obtain enough magazines in Beaufort to meet this need, and asks that the council women of the southern counties of the state will help furnish these boys of the Navy, training at these points. He is very anxious to receive monthly shipments of monthly magazines as new as possible. The boxes should be sent by express, prepaid, to the Sojourner's Club, Beaufort, S. C., c/o. Mr. Oscar Beckman.

Mr. Beckman is in charge of the Beaufort War Camp Community Recreation Service, and he will take pleasure in distributing them to our boys in such a way that will secure the greatest benefit.

Mrs. F. Louise Mayes, Chairman South Carolina Woman's Council of Defense.

The above letter was received by me a few days ago from Mrs. Mayes. If any one wishes to contribute their magazines to this cause as soon as they have read them, please leave them at my office at The Press and Standard.

Tweddle Pickling, County Chairman.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant Relief! "Pape's Diapepsin" Ends Your Stomach Distress. Try It!

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have dyspepsia. A little Diapepsin occasionally keeps the stomach sweetened and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops fermentation and acidity and sets things straight, so gently and easily that it is really astonishing.

THE LAST TIME I SAW HER

(By D. W. H.)

The last time I saw her, She was standing so sweet, On the steps at her gate, With my heart at her feet. The kind stars above us, In the clear summer sky, Bent to witness our vows, As I told her good-bye. Her bright eyes grew so dim, That I kissed back the tears, And I swore by the Gods, To love her through the years. And I have, oh, I have, But a man's ways leads far, And he can't always win, Against the fates that may bar.

When You Have a Cold

It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Panama, D. C., writes: "Our five year-old son, Pearl, caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.
