BEAUFORT S. C. JULY 26,

A good man for Warden—F. W. Schepher.

Citizens are under the impression that Mr. Gleaves is not a candidate for the position of Intendant.

Captain Willet proposes to give some moonlight excursions on the steamer Pettit.

The County Auditor will certainly put the penalty of fifty per cent on the taxes of all who fail to make their returns this month.

As a specimen quotation of the value of county paper, we heard the other day of a jurymen who by adding twenty five cents cash to an eleven dollar jury ticket was able to buy two straw hats of a Bay street merchant.

A select party of prominent merchants and shipowners of Beaufort indulged in an excursion to Savannah on Monday last on the steamer O. M. Pettit.

Mr. W. H. Trescott, a former resident of Barnwell Island in this county, has been appointed by the President one of the commissioners to settle the disputed fishery claims between the United States and the British Provinces.

A large party of colored excursionists went to Savannah on Monday on the steamer Rockaway; on the same day an excursion came up to Beaufort from Savannah on the Cumberland.

Major Gooding returned on Monday from his second collection tour, and reports having collected over four thousand dollars in four days.

Several of our citizens were victimized by the failure of the Charter Oak Life Insurance Company.

We have never seen finer onions than some raised this year on Mr. Smith Johnson's place.

During the storm last Thursday the lightning came as near striking our Intendant as the marksmen did the target the week before—it struck the tree near his house.

Peter Papin has shaken the dust of Port Royal from his shoes and will in the future reside in Beaufort.

On last Thursday evening, a handsome Bible was presented to the First African Baptist Church by the Olive Branch Society of that church.

The steamer Howard Drake brought a very heavy cargo on her last trip showing that the people appreciate low rates of freight.

Ex-Treasurer Carlazo was arrested in Columbia last Saturday charged with the misappropriation of funds to the amount of \$15,816, in paying the claims of T. W. Price & Co.

The British bark Gordon, captain Brown, arrived Monday morning at the Atlantic Saw Mills from St. Thomas V. I.

The meeting at the Arsenal on Friday evening, called to nominate candidates for Intendant and Wardens was a repetition of the annual disgraceful exhibitions that this occasion calls forth.

and a grand rush made for the stand where the presiding officers table was upset and the secretary indignantly fled for safety and could not be found again.

Another meeting was then formed from the remaining people present and Robert Smalls elected chairman.

Where the Money Goes. Our Intelligent Council Meets—The Hon. Joe on Law—The Way the Money Goes for Salaries—Richmond Gets Away With the Pot on a Bluff—The Taxpayers Happy—Richmond Happy—Everybody Happy.

An immense assembly of our taxpayers was present at council meeting last night. We say immense because there was one there and that is one more than can usually be seen to watch the city dads.

Joe Robinson, the blatant assemblyman, took up the question of town employees and offered a resolution that the town borrow money to pay them off up to July 31st providing the money could be borrowed at one per cent per month.

Warden Boyce gave notice of an ordinance to regulate the pay of the Town Clerk and Treasurer.

The great question now came up as to the payment of the Town Clerk. The Intendant stated that the ordinance fixing the pay of Clerk and Treasurer was repealed August 11, 1875 and an ordinance passed allowing him \$400 for all his services, and this ordinance was repealed July 18, 1876 leaving no provision at all for the service.
