The new pilot boat Bertha, Capt. Buckley, was caught in a storm last Tuesday and had her foremast carried away. She is now in Charleston undergoing repairs.

Mr. O. P. Law, of Grahamville, is the happy possessor of a Bezoar stone. The stone was cut by Prof. Holmes a few days ago when it was found that the nucleus was an acorn.

Mr. Kressel has been appointed by Gen. Moise to collect the arms in the hands of the militia, and his notice is published in this issue. If there are any companies that can stand inspection on the 16th prox. they will be permitted te retain their arms.

The water-boat Agnes has had her new engine put up and is now prepared to tow or supply water to any vessels in need of her assistance. The boat has been thoroughly painted and overhauled which has added to her beauty as well as to her sea-worthyness. The painting was done mostly by Capt. Williams, and her machinery put in by her engineer Mr. Redmond and Mr. Whitman.

The authorities having satisfied them selves that there was no yellow fever at Brunswick, the Dallas came in Friday night loaded and sailed next morning.
