Marriage Bans Blamed For Illegitimacy

NEW YORK (ANI) The rate of illegitimacy in (England) was accelerated by the policy of United States army officials who discouraged and frequently forbade marriages of Negro soldiers in English girls.

Duplan is now in the United States seeking to raise funds for the construction of a center for the treatment of illegitimate children, and to explore the possibility of having Negro families adopt some of these children.

He estimates that at least \$100,000 will be required for the center. According to Duplan, 80 per cent of the approximately 1,700 illegitimate children resulting from relationships between Negro soldiers and women who already were married and whose husbands were in the service of the British government.
