## SOU. RY. ENGINEER ALMOST HELPLESS

**Greenville Man Says Vitona Made New Man of Him Gained Fifteen Pounds**

Greenville, S. C., is the home of one of the happiest men in the State today, and Capt. C. C. Backman is now telling his many friends it is all due to the recovery of his health by the use of the marvelous new medicine, Vitona. Captain Backman, who resides at 340 Washington Street, is a locomotive engineer, runs fast passenger train No. 38, New York to New Orleans Special, between Greenville and Atlanta, and is undoubtedly one of the best known and most popular railroad men in South Carolina. It was in a recent conversation with J. W. Bullock and Bartow B. Henry that Captain Backman related his experience with Vitona and made the following statement which he authorized published for the benefit of others:

"When I learned about Vitona and decided to try it I had been suffering with sciatic rheumatism for five years. At times my leaders felt like they were tied in knots and the pain in my hips was awful. After sitting down for awhile I couldn't get up without help and for weeks I couldn't reach my feet to put on and take off my shoes. I could hardly crawl into the cab of my engine and when I did get in it was an effort for me to work the throttle. I lost weight and strength continually. Nothing I would eat agreed with me and I had terrible pains in the pit of my stomach. I was so weak and crippled up that I had to hobble around on a cane and was continually losing time from my work. When I got to the end of my runs I could hardly make it home. I was so nervous and racked with pain I could hardly sleep and I tell you life was more of a burden than of pleasure.

"My condition seemed to be getting worse all the time and nothing seemed to reach my case to help me until I began taking Vitona. A few days' use of this medicine proved it to be just what my system needed, my leaders became pliant and I could stoop down and get about easily. It is the only medicine that ever gave me any relief and since taking a few bottles I never suffer from rheumatism and don't lose any more time from my work. I can now hop into my cab like a boy and handle my old engine as well as I could when I first got my run. My appetite is fine, I can eat anything I want and enjoy it, and I have also gained 15 pounds in weight besides. No sir, I have no more use for my walking stick now, my pain and nervousness are gone, I sleep like a log and feel like a new man. Vitona is undoubtedly the best medicine on earth and I would go out of my way to tell suffering people about it."

Vitona is sold at Lexington exclusively by **Palace Drug Co.** If you live outside of Lexington ask your druggist for it.

The Dispatch-News will cost you only \$1.00 per year for all the news.

## TOO STINGY TO ADVERTISE

Once there was a man too stingy to advertise, and he pined away and he died and he was buried, and this, we picture, was the epitaph that appeared on his tombstone: Here lies a man who lived for the \$ He was too close fisted and non-enterprising to spend a \$ for advertising in his home paper. When he died he was not worth a \$. Few people knew he lived, just as few know he is dead. The great majority of people do not know that he ever existed at all, let alone know that he was in business, because his newspaper, knowing him not, carried no account of his demise. May the rusty old clod rest 'neath the sod, and sleep undisturbed, as he was in life. Moral: Don't follow this man's example! Follow the example of those who count for something in life. Back up The Messenger and when you die The Messenger will let the people know you lived, and if you are worth a penny in character or money, we will place the said interesting intelligence on record.—Hartsville Messenger.

## COULD HARDLY STAND ALONE

**Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.**

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me. One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78
