**SICK WOMAN HAD  
CRYING SPELLS**

**Restored to Health by Lydia  
E. Pinkham's Vegetable  
Compound.**

Enhaut, Pa.—"I was all run down and  
weak inwardly. I had female troubles  
and nervous feelings and my head  
bothered me. I would  
often have crying  
spells and feel as if  
I was not safe. If  
I heard anyone com-  
ing I would run and  
lock the door so they  
would not see me.  
I tried several doc-  
tors and they did not  
help me so I said to  
my mother 'I guess  
I will have to die as  
there is no help for  
me.' She got me one  
of your little books  
and my husband said I  
should try one bottle.  
I stopped the doctor's  
medicine and took Lydia  
E. Pinkham's Vegetable  
Compound. It soon made  
a change in me and now  
I am strong and do all  
my work."—Mrs. AUGUSTUS  
BAUGHMAN, Box 86, Enhaut, Pa.

Why will women continue to suffer  
day in and day out and drag out a sickly,  
half-hearted existence, missing three-  
fourths of the joy of living, when they  
can find health in Lydia E. Pinkham's  
Vegetable Compound?

**MEN FOUGHT WELL  
AGAINST GERMANS**

**American Corporal Brought Down  
Three Huns.**

With the American Army in France,  
Nov. 11 (by the Associated Press)—  
Complete details and verified re-  
ports of the recent German trench  
raid show that the American troops  
on that occasion set an example for  
courage and valor unexcelled. The  
officer who had charge of verifying  
the accounts of the raid said to the  
correspondent today:

"I am proud to say that our men  
engaged in the fight did everything  
within their power. They jumped  
into the fight and stuck to it. In  
the first place the troops had been in  
the trenches less than three hours  
when the barrage fire of the Germans  
began. They had marched a good part  
of the previous night and were tired.  
Some of them were allowed to go to  
sleep in a dugout 25 feet under  
ground.

"When the barrage began these  
men did not hear the racket. It is  
apparent that they first knew of it  
when the Germans started throwing  
grenades down upon them. It was  
these men who were taken prisoner  
but they fought well, even when sur-  
prised that way, for the stairs of the  
dugout were covered with blood, and  
especially the top half, showing that  
the Germans there must have been  
hit. The entrance to the dugout also  
gave indications of close hand to  
hand fighting.

From the dugout, the trenches and  
over the top through the barbed wire  
and well out into "No Man's Land,  
there was a wide red trail. How  
much of it was American and how  
much of German blood is not known.  
"There is a corporal now in the  
hospital back of the line who did a  
good job. He was in the listening  
post when the barrage began. Dur-  
ing the firing an officer made his way  
through the shells—God knows how—  
and yelled to the corporal to go into  
the dugout. There the corporal saw  
the officer's lips moving but did not  
understand the command and remain-  
ed at his post. At the end of the  
barrage he saw Germans all around  
him—five being right in front of him.  
He took careful aim and fired three  
shots and three of the enemy were  
seen to fall. Then a hand grenade  
fragment entered the corporal's back  
and put him out of action."

Investigation shows that all the  
American telephone wires between  
the observation posts and trenches  
and batteries at the rear were cut  
by fragments of German shells,  
which numbered approximately 50,  
000. The Germans crossing No  
Man's Land rolled up telephone wires  
behind them and set up a small field  
telephone exchange outside the A-  
merican barbed wire with branch  
lines running to at least three points  
while the raid was in progress, to di-  
rect the enemy artillery.

**COMPLAINT ALMOST GONE**

**Iron Is Greatest of All Strength  
Builders, Says Doctor**

**A Secret of the Great Endurance and Powers of Athletes**  
Ordinary Nuxated Iron Will Make Delicate, Nervous, Run-down People 100 Per Cent Stronger in Two Weeks' Time in Many Cases.  
NEW YORK, N. Y.—Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. E. Bauer, a Boston Physician who has studied widely both in this country and in Great Europe. Medical institutions when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong but they can't tell what, so they generally commence doctoring for stomach, liver or kidney trouble or symptoms of some other ailment caused by lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony. If you are not strong or well, you owe it to yourself to make the following test: See how long you can go or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times a day after meals for two weeks. When you feel your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while,
