SAYS SHE THINKS WORLD OF TANLAC

Recommend It As General Tonic And Stomach Remedy

PROVED VALUE TO HER

Says "Tanlac Did Make A Great Improvement In My Condition"

"I just think the world of Tanlac as a general tonic and stomach remedy, and am glad to recommend it," declared Miss Lilla Shelton, of No. 6, Saco St., Greenville, in a statement. "I took Tanlac for a generally run down condition and chronic appendicitis. I had been in bad health about two years and I suffered a great deal with indigestion. I was as nervous as could be. I never ate anything at all hardly. In fact, I ate just like a bird—a little at a time. I suffered awfully with headaches too.

"The Tanlac greatly improved my condition in a very short time. It made me sleep better than I had slept in two years, for it quieted my nerves. The Tanlac gave me a good appetite, too. I began to sleep all night long, and my whole system was built up and strengthened. The medicine certainly did make a great improvement in my condition."

Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Burnette and Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Cresson Drug Co., Leesville; Eargle's Drug Store, Chapin; Dr. W. T. Brooker, Swansea; Pelion Drug Co., Pelion; W. J. Cayce, Cayce; A. E. Leaphart, Gilbert; The Lorick Co., Irmo; W. H. Suber, Peak. Price, \$1.00 per bottle, straight.

Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder trouble. The ache across your back grows worse with every move you make, and with every step you take. It not only robs you of all your strength and energy, but it affects the other important organs of the body as well. Nervousness, headache, disordered stomach, liver trouble, bad eyesight, are only some of the conditions that follow kidney trouble.
Foley Kidney Pills help the sick weak kidneys to regain their normal healthy state and activity. SAYS MANY MEN TRYING TO OBTAIN DISCHARGES

Camp Sevier, Nov. 10.—Special: Major F. M. Hinkle, division adjutant at Camp Sevier, in an interview yesterday with the representative of The Sunday News, stated that many cases of drafted men, now actually in service in the Thirtieth Division, had been reopened and was causing a great deal of trouble to the camp officials.

"In the first place," said Major Hinkle, "I don't believe the local boards understand what the government is doing for dependent families. Most of these cases are reopened on the plea that the men have dependents. Now the government has made very liberal provisions for just such cases. Fifteen dollars a month is deducted from a soldier's pay each month to send to these people. To this the government adds fifteen dollars, and five additional dollars for each child. A dependent wife gets \$30 a month; therefore, a woman whose husband is in the service and who has four children, would get \$50 a month—more in many cases than the man would earn if he were at home."

Major Hinkle thinks, furthermore, that in seeking the discharge of a man who is already actually in the service, the matter should be taken up through the regular military channels. If the man has a real reason for discharge he will get it just as quick by that way, and with a great deal less trouble.

The adjutant is very anxious, however, that all local boards, soldiers, prospective draftees and recruits understand just what the government's plan for dependents is and what the insurance bill provides.

AMERICAN FIGTERS CROSS WITHOUT LOSS

With the American Army in France, Nov. 11 (By the Associated Press)—General Pershing said to the correspondents today:

"Troops and supplies are arriving in increasing numbers."
Thanks to the French, British and American navies, he continued, the submarine to date has not claimed the life of a single American soldier on the troop ships bound for France. The French officers, he said, were enthusiastic over the character, intelligence and eagerness of the young officers who are arriving in France to continue their instruction and the American army is proud of them.
