## WAS UNABLE TO WALK AT TIMES, SHE SAYS

To Move Around She Had To Push a Chair Before Her

## HAD TRYING EXPERIENCES

Mornings Were Miserable For Mrs. Durham, But The Afternoons Brought Her More Comfort

Though she had suffered with rheumatism so badly she could not walk at times during three or four years, and had been troubled a great deal with a number of other ailments, Mrs. J. T. Durham, of 2210 S. Main St., Anderson, declares that "Tanlac relieved my rheumatism and other troubles and got me in good shape in three weeks, after a lot of other medicines had failed to help me."

"I suffered with rheumatism so badly I could not walk at times," continued Mrs. Durham, "and for several hours every morning when the rheumatism was particularly bad I would have to sit in a chair after being helped from my bed, and then my muscles would get so I could move around by pushing a chair before me. I generally was able to get around enough to get dinner, though I could never get breakfast."

"One of my legs was badly drawn, and I hurt all over and suffered torture. I had rheumatism badly for three or four years, but I had been in bad health for about nine years, when I began to take tanlac. I also was troubled a great deal with indigestion and headaches, my nerves were almost gone to pieces. I could not sleep at all, and my system was weak and run-down and I felt tired out all the time."

"The Tanlac soon got me where I could do my housework, for it quickly relieved the rheumatism and that drawing in my leg. I am strong and I feel well now. Tanlac certainly is a fine medicine for rheumatism, I think. I very seldom ever feel a pain in my body now, so well did Tanlac break up the rheumatism."

"The medicine also built up my system in general, gave me a fine appetite, and relieved the indigestion I could not eat anything hardly when I began taking Tanlac, but it got me so I could eat anything I wanted. I can sleep well now, and the Tanlac relieved the nervousness. I sure do feel fine, and the improvement in my condition is due to Tanlac."

Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Burnette and Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Crosson Drug Co., Leesville; Eargle's Drug Store, Chapin; Dr. W. T. Brooker, Swansea; Pelion Drug Co., Pelion; W. J. Cayce, Cayce; A. E. Leaphart, Gilbert; The Lorick Co., Irmo; W. H. Suber, Peak. Price, \$1.00 per bottle, straight.
