#### TO MY MANY FRIENDS.

Now that I am home again after a months stay with Sheriff Miller I want to thank my friends one and all for the many calls they paid me while in jail and the many lonesome hours they helped me to pass away. I want them to always feel they have a friend in me and especially the Rev. W. D. Quick who came so often. May the Lord bless him in his feeble age. It did me so much good to talk with him and the rest of my friends.

I want to thank my friends for their liberal offer such as Mr. Simon Lucas, Mr. L. K. Spires, and Mr. Luther Gantt.

I want my friends to know that I stand for the clean thing

I want my friends to come and see me any time they can, the latch is on the outside of the door and they can find it day or night.

As to my treatment since I have been in jail, I want my friends to be Sheriff Miller's friends. I cant express my feelings in words to the Sheriff and Mrs. Miller. Their son has been home sick and they have treated me as good as they have him.

May they have a long and porsperous life for the way they have treated me in my trouble.

There has been a few of my neighbors who have not come in to see me though they are men that stand for things that I don't stand for.

May the happiness of a well spent life be yours my friends and the casket counting those precious gems and at last be wafted by those white winged messengers of heaven to that land beyond the sunset.

Is the wish of a sincere friend. M. C. Kirkland,
