

Friday Millinery Opening Saturday

March 15 and 16

Exclusive Novelties, Pattern and Tailored Hats, will be shown during our **Opening Display, Friday and Saturday, March 15-16**

Our hats are smart and up-to-the-minute, have individuality and are moderate in price. Come and see them. Miss E. Mentzer, who is in charge of this department this year, has recently returned from the most up-to-date hat shops in Baltimore and is prepared to design and make up the latest styles in millinery. You are cordially invited to join the big crowd of ladies who will visit our store on these dates.

ANNOUNCING

OUR NEW FIXTURE DEPARTMENT

We take this space to announce to our customers and the public that we have bought the fixture department formerly owned by The Perry-Mann Electric Company, consisting of their complete line of electric light fixtures glassware and parts, and with this stock added to our own, and the new fixtures coming in makes us one of the largest electrical dealers in this section of the country.

We intend to specialize in the fixture business and replenish our stock as fixtures are sold, keeping the latest styles and designs in both the higher and the cheaper grades, and our endeavor will be to render even better service than we have in the past.

We have enlarged our show room to double the space that it formerly occupied so that it will comfortably accommodate the large stock that we will carry.

We will be pleased to have you call on us and our salesmen will show what we have in store for you.

HARMON DRUG CO.

We call attention to the half page advertisement of the Harmon Drug Co., carried in this issue. This is one of Lexington's most up-to-date and best equipped business houses and deserves the large patronage and successful career it has attained. The manager Dr. Rice B. Harmon is a Lexington boy, born and reared on the same spot his store now stands and has attained his success by hard work and close attention to business. Graduating from the Maryland College of Pharmacy of Baltimore in 1902 Dr. Harmon was at once given a position in one of the largest drug stores in the city of Baltimore as prescription clerk, a position he gained on account of the high average made in his class room work. Afterwards he held like positions in Washington, D. C., Hendersonville, N. C., and at Thomas' Drug Store in Columbia, finally resigning to come home and accept a position as manager of the Kaufman Drug Co., which position he held until the death of Dr. Julian E. Kaufman, when the business was sold to Dr. Harmon and reorganized as the Harmon Drug Co. This business has gradually grown under the efficient management of Dr. Harmon until now it is recognized as one of the best drug stores between Columbia and Augusta. Dr. Harmon's perfect service and untiring energy has gained a reputation and patronage that any man should feel proud of. He offers his customers the advantage of his long experience and thorough training a matter of vital importance in the drug business.
