### Piedmont Woman Took Tanlac And Gained Much

#### MADE GREAT CHANGE

### Heartily Recommends It To All Who Suffer As She Did

"Tanlac gave me back my strength and made me feel fine in every way, I think it is the grandest medicine in the world, and I can heartily recommend it to anyone who suffers from the complaints I had," was the emphatic statement given by Mrs. Lizzie Bryson, of Piedmont, S. C., in endorsement of Tanlac on May 9th. "When I began taking Tanlac I was so weak and broken down I could hardly keep out of bed. I had no appetite, I could hardly sleep at night and was nervous to kill.

The Tanlac gave me back my health and strength, though. I soon had a fine appetite, my nerves became strong and steady, and I feel fine in every way. In a week the Tanlac had me feeling like a new man. It was two months ago that I stopped taking Tanlac."

Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Burnette and Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Crosson Drug Co., Leesville; Eargle's Drug Store, Chapin; Dr. W. ### THIRTY CENT COTTON BUYS LESS BREAD AND MEAT THAN TWELVE CENT COTTON

The farmers of South Carolina who were inclined to run away with the idea that thirty cent cotton is a great thing, (as it really is), ought to bear in mind that thirty cent cotton and buying food-stuffs does not work out in the end. The raising of food stuffs at home is just as necessary as fertilizers for the cotton.

In his very excellent address at Sumter, Mr. Clarence Poe, the distinguished editor of the Progressive Farmer, presents some astonishing figures that had been prepared by Mr. Bradford Knapp of the United States Department of Agriculture showing that "with even thirty cents a pound for cotton the farmer who to day his bread and meat is not only no better off than he was with twelve cent cotton, but is actually worse off. We take only the "bread and meat" articles commonly purchased and consumed on cotton farms. Here are the facts:

**At Twelve Cent Pre-War Prices.**  
One 500 lb. bale of cotton at \$60 would have bought—  
80 bus. Corn at \$0.75  
12 bbls. Flour at \$5.00  
3000 lbs. Corn Meal at \$0.02  
600 lbs. Lard at \$0.10  
500 lbs. Salt Pork at \$0.12  
400 lbs. Bacon at \$0.15

**At Thirty Cent Pre-War Prices.**  
One 500 lb. bale of Cotton at \$150 will buy—  
75 bus. Corn at \$2.00  
12 bbls. Flour at \$12.50  
2,143 lbs. Corn Meal \$0.07  
484 lbs. Lard at \$0.31  
455 lbs. Salt Pork \$0.33  
366 lbs. Bacon at \$0.41

These conditions are not likely to improve, emphasizing all the more the absolute importance at this time of planting plenty of corn and other food crops.

#### Forgot What He Needed.

From the Republican, Mt. Giliad, Ohio: The Editor had an interesting experience some time ago, when a young man came to this office and asked for a copy of the Morrow County Republican. He scrutinized it carefully when a copy was handed him, and then said: "Now I know!" "What is it you are looking for," we inquired. "My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerks named over everything in the line on the shelf except Chamberlain's. I'll try again, and I'll never go home without Chamberlain's Cough Remedy." The Republican would suggest to the proprietors of stores, that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted to say nothing of the injustice to makers of good goods and the disappointment of customers.

## IT HAPPENED IN LEXINGTON

And Is Happening to Lexington People Every Week.

The case told below is not an uncommon thing. The same occurs frequently and will continue to happen as long as folks have kidneys and overtax kidneys.

R. F. Powell, Main St., Lexington says: "I had a lot of trouble about eleven years ago with my back and kidneys. My back ached all the time and I couldn't stoop over without being in terrible misery. I had a too frequent desire to pass the kidney secretions and this bothered me a great deal. I took different medicines but they didn't do me a mite of good. I tried in every way to get relief. Finally I got Doan's Kidney Pills and they helped me from the start. Several boxes completely cured me of all that trouble. I haven't been bothered since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Powell had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
