CHAUTAUQUA.

Chautaugua which will give a turee day entertainment on April 5, 6 and 8. This will be an entertainment that should have the support of every man, woman and child that loves their town and community. It is enand will develop a better community spirit if properly supported. The persons who were responsible 'for bringing such an entertainment into our midst are to be commended for their public spirit and the effort put forth to do something good for the town and community. This chautauqua will be held under a large tent located on the site where the Meetze hotel formerly stood and we urge every man woman and child in Lexington and the surrounding country to buy a ticket and attend every program, for they will surely be benefitted.

The sermon preached by Rev. W H. Riser in St. Stephen's Luutheran church Sunday night was indeed a treat to those woh heard him. Mr. Riser took for his subject "Recognition in Heaven" and proved by the scripture, every assertion made. A large congregation was present and it was the unanimous opinion express ed that this was one of the best and most eloquent sermons ever heard seeds, new crop and true to name, in Lexington. This was the second Pearl or cat-tail millet, onion sets, of a series of special sermons that and early cabbage plants. Rev. Riser will deliver from time to time, from the pulpit of St. Stephen's.

James R. Thompson, M. D., Noted Physician Writes in American Journal of Health, New York, Regarding the Great Merits of

Dr. Hilton's Life For The Liver and Kidneys

We do not hesitate to bestow words of communication on such specifics as have shown on actual trial before our hygienic staff that they are remedies of undoubted therapeutic virtue. A medicine which has fulfilled our most exacting demands in this respect, and one which therefore we feel justified in recommending to us so conclusively, as to leave no room for doubt even on the part of the most skeptical, that it is a thorugh curatve agent in all cases of dyspepsia, indigestion, constipation, billiousness; Bright's disease, dropsy, gravel, rheumatism and all disorders arising from a diseased condition of the liver, kidneys and urinary organs. A representative was sent from our office to collect testimony in regard to "Life for the Liver and Kidneys." Those who had used the remedy for the maladies in which it claims to bring relief were interrogated in regard to the effect it had exercised in their own cases. Every person who was visited and questioned with respect to "Dr. Hilton's Life for the Liver and Kidneys," replied that he had found in it a most efficacious cure. This fact was ascertained to be true not only in cases of ordinary severity, but even in those instances which had successfully withstood the skill of physicians as well as the curative powers of other proprietary remedies."

Dr. Hilton's Life for the Liver and Kidneys is a vegetable compound, which for over 30 years has been recognized and recommended as the most valuable remedy of its kind. If you are a sufferer from any of the above mentioned ills, begin taking it at once. You'll soon be on the royal road to
