

LARGE AUDIENCE HEAR LECTURES AT PINEVIEW

A large and appreciative audience appeared at Pineview school house on Monday night to hear members of the County Health Department in the great educational campaign, which is being waged for the benefit of the people.

The first speaker of the evening was Dr. P. H. Shealy, who discussed dental hygiene from every angle, and stressed the importance of the people giving more attention to their teeth. Dr. Shealy very frankly stated that he was not seeking business; that he was not making these lectures for selfish purposes, but in the interest of humanity. He closed by urging the people to consult their family dentist at once.

Dr. R. H. Folk, head of the county Health Department, discussed tuberculosis and the deadly typhoid. These two vital subjects were illustrated very effectively by the use of stereoscopic views, showing these two diseases at different stages, and their effect upon the body.

Dr. Folk earnestly urged upon the people the importance of rural sanitation; and declared that there must be the closest co-operation between the people and the county health department if the needed results are to be attained.

Miss A. J. Hill, registered nurse in charge of the child welfare department of the county health department, accompanied Dr. Folk to Pineview, but did not speak.

The campaign is to be carried into every section of Lexington county; and it is the aim of Dr. Folk and Miss Hill to conduct a public clinic on each Saturday for the benefit of the people. It is hoped that a specialist from Columbia may be had for these occasions.

Step Lively! Corns Quit with "Gets-It"

The Great Corn-Loosener of the Age. Never Fails. Painless.

Watch my step! What's the use! I go along "right side up without care," even with corns, because I use "Gets-It," the painless, off-like-a-ba-nana-peel corn remover. I tried other ways galore, until I was blue

in the face and red in the toes. No more for me. Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It," and "Gets-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It."

WEAVER UPRIGHT GRAND PIANO

The World's Best Upright Piano

The piano that swept the world's greatest musicians into adoration, that thrilled audiences of music lovers, a piano miracle, a marvel piano, a piano that has been called the "sweetest toned" of them all.

Imagine a piano that shades down to a whisper, to an exquisite, scarce audible shadow of sound—that is carried up, up, higher and yet higher, swelling, sustained, a mighty tone—until the very air seems ringing with its power. This is the wondrous accomplishment of the Weaver Piano, and every note—whether soft and low or powerful in force—is clear and pure.

You must play and hear this leader among pianos of the present day if you would know what may be expected of a piano.

We will gladly arrange a demonstration if you will write us and mention the Lexington Dispatch-News.
