

## The PERUNA Family

has three members you should know if you desire to enjoy life.

1. The popular liquid form of Peruna—the reliable tonic of the American household, with a long history of success in treating all catarrhal difficulties.
2. The tablet form, which is made after the same formula and is more convenient for many.
3. Manalin, the ideal laxative, by the regular use of which constipation may be overcome and natural action restored. Manalin has no habit forming drug, but is an aid to nature.

Your druggist has all three. So many thousands have received benefit from these are a recognized part of the equipment of every careful household.

### BAD BOY ADMITS LOVE FOR MOTHER

Cleveland, Ohio, June 7.—The search for the "worst boy" goes merrily on. They thought they had found him in Cleveland, but investigation proved that he was but 69 per cent bad, so he was rejected.

Representatives of the Boys' Brotherhood Republic of Chicago are making a tour of the country in search of the worst boy in the United States. When they find him they are going to take him to Chicago and try to reform him.

After a couple of days' search in Cleveland, a boy, name not given was brought in for examination. He is 15 years old, associates with thieves, bets on prize fights, drinks whisky, gambles uses tobacco, plays pool, 'hops' freight trains, roams the streets at night uses vile and obscene language, ran away from school has been at the State's farm for boys, is a gang leader, has been arrested three times was chased by policemen many times more, says Cleveland is a small burg and deader a door nail, calls reform schools pans and can't talk two minutes in succession without swearing.

But he is 69 per cent bad, for he admitted that he worked for three months at one time and confessed that he loved his mother and would write to her if he knew where to reach her. Still, with so many points taken from his record as the country's worst boy he still leads for badness and may prove that there is no 100 per cent bad boy, and that 69 per cent is the limit.
