PAIGE

The Most Beautiful Car in America

It Pays Its Way

The business man insists that his mechanical equipment shall faithfully dis-
charge its duties and return fair interest on the investment. Whether
it be a typewriter, an adding machine, a drill press or an automobile,
he looks for efficiency expressed in terms of profit.

It is on this very practical basis that the Paige has qualified in the world of
business. In competition with every other car on the American
market, the Paige has repeatedly demonstrated that it is a preferred
investment—a car worth every penny of its price and entitled to the
fullest respect and confidence as an eminently practical utility.
