

Why Do They Write?

THE same kindly feeling toward his fellow creatures that inspires a person to recommend a good book leads one to tell how he or she was saved from suffering and made well and strong. It is simply the desire to help others. The following letter was written by Mrs. Frank E. Wood, Box 18, R. F. D. 2, Morrill, Me.:

"Foley Kidney Pills helped me so much. I find relief as soon as I begin taking them. My husband also has received so much benefit from taking Foley Kidney Pills and feels so much better. He was so lame he could not stoop over and now he feels none of the pain. I remain always your well-wisher."

Similar testimonial letters have been received from practically every state in the Union, all written by men and women who wish to help those suffering as they were from kidney and bladder trouble.

Foley Kidney Pills

When the kidneys are inactive, weak, sluggish, overworked or diseased they fail to filter from the blood stream the impurities that must be eliminated from the system if good health is to be preserved. When the kidneys are out of order, this poisonous waste matter in the blood causes backache, pains in side, rheumatic pains, lumbago, stiffness or swelling of joints, sore muscles and other symptoms that bring pain and misery in their wake. Foley Kidney Pills are prompt in action and tonic in their healing and soothing effect on weak, overworked, diseased kidneys and bladder, helping these important organs to properly perform their functions. They stop sleep-disturbing bladder ailments, help purify the blood and make sound, good health an easier achievement for the afflicted.

ALABAMA.

Alabama, Alabama,
The home of the free;
Oh! this is the place
I, ever long to be.

Her hills and her mountains
Are blessed with nature grand;
Oh! this is my home,
For its in Dixie's Land.

The raven and the eagle,
Are perched on mountains high
And the songsters, they are singing
In the leafy grove near-by.

Her fields of corn and cotton
Are ripening in the sun;
And her rye, oats and barley
Are enough for everyone.

Her schools, they coming
From the mountains to the sea,
And the children they are singing
Their songs of jubilee.

Oh! what about her churches
So fraught with ancient story
And the Word it is preached
By heads old and hoary.

And when the bugle called
For men so brave and true
Alabama fell in line
And said, "We're coming too!"

So in all the walks of life,
In science and in art;
She is on the alert,
And will ever do her part.

Strong Men

The Nation needs strong men and the right time to begin to build up strong manhood is during the growing period of childhood. Many mothers remember, with keen satisfaction, the days when

SCOTT'S EMULSION

was one of the determining factors in building up the strength of their children. Scott's is a source of nourishment and strength that ought never be overlooked by the mother of today who is anxious about her fast-growing boy or girl.

A DOLLAR IN THE RED CROSS IS WORTH TWO IN THE BANK.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop using dangerous drug before it salivates you!
It's horrible!

You're bilious, sluggish, constipated and believe you need vile dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.
