**Corns Peel
Off Painlessly!**
There's Only One Genuine Corn
Peeler--That's "Gets-It."

There's only one happy way to get
rid of any corn or callus, and that's
the painless-peel off way. "Gets-It"
is the only corn remedy in the world
that does it that way--effectively,
thoroughly. Why get down on the
floor, tie yourself up into a knot and
have to fool with "packages plas-
ters greasy ointments that rub off
sticky tape and digging knives and
scissors when you can peel off your
corn or callus in one complete piece
peacefully and surely with magic sim-
ple easy Gets-It? It takes 2 or 3 sec-
onds to apply "Gets-It"; you use 2 or
3 drops, and that's all. Gets-It does
the rest! Get rid of that corn
pain at once so that you can work and
play without corn torture. Be sure to
use "Gets-It." It never fails.

"Gets-It," the guaranteed, money-
back corn-remover the only sure way
costs but a trifle at any drug store.

DOLLARS AND CENTS.
Counting it only in dollars and
cents how much did that last cold
cost you? A man may not always
stop work when he has a cold but per-
haps it would be better if he did. It
takes about ten days to get complete-
ly rid of a cold under the usual treat-
ment. That time can be much short-
ened by taking Chamberlain's Cough
Remedy and proper care of yourself
in fact a bottle of this remedy in the
house is a mighty good investment
during the winter and spring months.

**NERVOUS
PROSTRATION**
May be Overcome by Lydia
E. Pinkham's Vegetable
Compound—This
Letter Proves It.
West Philadelphia, Pa.—"During the
thirty years I have been married, I have
been in bad health and had several at-
tacks of nervous prostration until I
seemed as if the organs in my body
were worn out. I was finally per-
suaded to try Lydia E. Pinkham's
Vegetable Compound and it made
a well woman of me. I can now do
all my household and advise all ailing
women to try Lydia E. Pinkham's
Vegetable Compound and I will guaran-
tee they will derive great benefit from
it."—Mrs. FRANK FITZGERALD, 25 N. 41st
Street, West Philadelphia, Pa.
There are thousands of women every-
where in Mrs. Fitzgerald's condition,
suffering from nervousness, headache,
headaches, and other symptoms of a
functional derangement. It was a
grateful spirit for health restored which
led her to write this letter so that other
women may benefit from her experience
and find health as she has done.
For suggestions in regard to your
condition write Lydia E. Pinkham Medicine
Co., Lynn, Mass. The result of her
40 years experience is at your service.

ARCHIE CORLEY'S LETTER HOME
Camp Fort Frances,
Jan. 23 1919.
Dear Brother Earle:
Today I will answer your letter
which I received last Sunday. I sure
was glad to hear that all was well.
This leaves me just fine and I truly
hope this will find you all the same.
Was glad to hear that the fall has
died down over here. It is about a
thing of the past over here. Guess
the weather is pretty cold over there
now. It is just pleasant here feels
like spring time here today. I have
not seen any frost but two mornings
hince Christmas. The grass stays
green here all the year.
Sure have seen some fine cattle over
here for vegetables I have ever
seen. Guess vegetables are selling
cheap in Columbia now. Well I am
having a pretty good time now a days.
Sleep a little at night and sleep dur-
ing the day. A guy and myself bake
bread at night. We can bake 2,000
in 4 hours. I get to bed about mid-
night and don't get up until noon. I
guess you will have a time to get me
out of bed when I get back. I guess
I am his largest boy now, weigh 174
pounds. How is Vinnie and Jake and
the kids. I wrote her but haven't got a
reply yet. Well I think I will be back
sometime between now and Easter.
Prospects are bright now think I will
be there pretty soon. Try and help
keep things at home going and I will
try and return you the favor in the
future. I will close hoping to hear
from you soon.

CHRONIC CONSTIPATION
There are people who never have a
movement of the bowels without it is
produced by a cathartic. Most of
them have brought that condition on
themselves by the use of mineral wa-
ters and strong cathartics that take
too much water out of the system and
aggravate the disease they are meant
to relieve. A mild laxative tonic like
Chamberlain's Tablets affords a gen-
tle movement of the bowels that you
hardly realize has been produced by
a medicine and their use is not so
likely to be followed by constipation.
