

Am I My Brother's Keeper?

(Manufacturers Record, Balt. Md.)

Above all else this country needs a nationwide revival of old-fashioned prayer-meeting religion—

A religion that makes men realize that if there is a Heaven, there must also of necessity be a Hell—

A religion that makes a man realize that every act is recorded on his own conscience, and that though that may slumber, it can never die—

A religion that makes an employer understand that if he is unfair to his employes and pays them less than fair wages, measured by his ability and their efficiency and zeal, he is a robber—

A religion that makes an employe know that if he does not give full and efficient service, he too is a robber—

A religion that makes a farmer, who packs bad fruit at the bottom and deceives the buyer by the good fruit on the top, realize that he is a thief just as much as the one who robs a hen roost at night—

A religion that makes a man who robs a railroad of its fare, or its freight bill, know that he robs himself of all right to feel that he is an honest man—

A religion that makes a man realize that by driving too hard a bargain with his servant, his employe, or his merchant, he can be just as much a profiteer as the seller or producer who swindles by false weight, false packing or false charges—

A religion that will make the labor-members who fail to contribute to the extent of their ability to the support of religion, and that compel them to recognize that if they are paying their pastor less than a living salary, they are robbing God and man alike—

A religion that will make the laboring man, who by threats or by actual violence against the non-union man, strives to keep him out of employment, realize that he is at heart a murderer and is murdering the individuality, and the liberty of his fellow-man, and is displaying a hatred which, if it has the opportunity, will commit physical murder—

A religion that will make the politician who yields principle for the sake of party, who worships at the feet of any class and sells his soul for political preferment know that he is not only a coward and a poltroon and unworthy of the respect of any decent man, but which will also make him see that he is helping to murder human liberty, as great a crime as murdering the individual men—

In short, we need a revival of that religion which will make every man and woman strive in every act of life to do that which, on the great Judgment Day, they will wish they had

done, as with soul uncovered they stand before the Judgment Seat of the Eternal.

Until the people of this nation accept and live this religion there will be strife where there should be peace, there will be strikes and lockouts and murder where there should be co-operation and harmony; there will be hatred where there should be friendship and love.

In the Golden Rule, followed in the fullness of the spirit of this kind of religion, there would be found a solution for every business trouble; there would be created friendship between employer and employe; capital and labor would work in harmony and with efficiency, efficiency for the capital and efficiency for the labor, with profit to both.

Religion of this kind is not measured by the hope of a Heaven hereafter but by the full fruition now of "Peace on earth to men of good will." It is not merely the chanting of hymns here or in their world to come, but it is in the recognition and full application by rich and by poor, by learned and unlearned, that each one is indeed his brother's keeper, that we can bring this country and the world back to safety.

A nation-wide acceptance of this, the only true religion in action, would bring business peace and world peace where there is now turmoil, and men would then cease to seek to gain their aims by lawless acts of immorality, but would in spirit and in deed follow the Divine command, "All things whatsoever ye would that men do to you, do ye even so to them."

CARRANZA REPUDIATES MONROE DOCTRINE

Mexico City, Sept. 8.—A defense of Mexico against foreign representation, particularly from the United States, regarding the lives of foreigners and their property, was contained in a message of President Carranza read at the opening session of congress to-day.

Grew Despondent Over Her Troubles

Once Was "Most Wretched Person," Says Mrs. Green.

BUT NOW IS HAPPY

Gained 10 Pounds After Taking Tanlac and Improved Considerably.

"Before I began taking Tanlac I was the most wretched woman I expect you ever saw, but now I am as happy as I can be over the good that Tanlac has done me," said Mrs. Maggie Greene, of 1219 Avenue A, Easley, Ala.

"For a long time I suffered from indigestion and stomach trouble," she continued, "and had grown so weak from loss of energy that I really took no interest in anything. I would suffer for hours from gas on my stomach that made me dizzy and gave me palpitation of the heart. I fell off until I weighed only 95 pounds, and was so weak and run down I could not do any work about the house. I was so nervous that at times I trembled all over and I got so cross and fretful I was not like myself at all and was growing more despondent every day."

"Nothing I took seemed to reach my troubles and I just went from bad to worse. My husband got a bottle of Tanlac for me, and as soon as I began taking it I started to improve and began to eat and my appetite got better every day. The disagreeable fullness does not trouble me any more after meals and I feel just fine. In fact, I do not know what it is to have a pain now. I sleep like a log at night and have gained 10 pounds and every one tells me I look like a different woman."

Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Burnett & Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Cresson Drug Co., Leesville; Earle's Drug Store, Chapin; Dr. W. T. Brooker, Swansea; Pelion Drug Co., Pelion; W. J. Cayce, Cayce; A. E. Lepphart, Gilbert; The Loxley Co., Immo; W. H. Suber, Peak. Price, \$1.00 per bottle, straight.

Particular reference was made in the message to alleged injustices practiced against Mexicans in the United States.

A long list of the alleged offenses was given under the section of the address devoted to foreign relations. The message also defended Mexico's neutrality during the war and protested against charges that the Mexican government was incapable and unwilling to protect foreign lives and property.

In his message President Carranza asserted that Mexico did not ask admission to the league of nations because, he said, the league did not establish equality for all nations and races. He reiterated that Mexico had not and would not recognize the Monroe doctrine.

Regarding oil legislation, the message said the government was willing to conciliate, but would not sacrifice its national sovereignty.

As I Was As I am

Mr. J. H. Huff, well-known street railway man of Athens, Ga., says: "I have read of some wonderful cures but my wife's beats them all. She was just about a nervous wreck and practically an invalid—too weak and nervous to perform the usual household duties. She couldn't sleep and what food she did eat did no good. Her kidneys were very troublesome and bowels constipated. After taking four bottles of DRECO her strength returned along with her appetite and her stomach was digesting the food and nourishing her body. The pains in her back were gone and her kidneys normal. The constipation disappeared—she now eats anything she craves and never suffers from it; sleeps sound and is doing her housework."

DRECO highly recommended in Lexington by THE GEIGER DRUG CO.
